CHA Summer Youth Programs Celebrate a 10% Participation Increase

Published on August 31, 2024

Learn and Earn: **Boxing**

Every year, CHA offers paid summer opportunities for residents ages 13-24 to provide early exposure to career and education pathways and opportunities that stem potential summer learning loss.

This summer, CHA achieved a 10% increase in participation over last year with more than 2,400 young people earning summer wages of \$3 million. Check out images from a summer of fun and learning:
