Creating an HCV Owner Portal Account

If you are an HCV property owner with at least one vendor number, you are eligible to create an HCV Owner Portal account. Here's how:

1. Visit the website at chahcvportal.org.
2. Click the 'Sign Up' button located on the bottom left corner of the screen.
3. Enter at least one vendor number and the email address associated with that vendor number.
4. Enable two-factor authentication, allowing another layer of protection.

Tip: You must have an email address on file with CHA to access your account. If you have different vendor numbers with different email addresses, use the one tied to the account you want to access.

For more helpful tips on managing your account online, review the [HCV Owner Portal FAQs](#).
