Public Comment

The public comment process invites community input on board items, ensuring transparency and inclusivity in decision-making. By making responses public, we provide visibility into how feedback is considered, promoting a more open and accountable governance process.

Submit a Public Comment

We encourage the public to share their feedback on board items by submitting responses via email at BoardPublicComments@thecha.org.

For more information on the Public Comment Process in-person or via videoconferencing, please review our [Public Participation Guidelines](#).

Public Comment Responses

The Chicago Housing Authority provides a summary of public comments from each Board of Commissioners meeting, along with CHA's responses, as part of the public documents available at each board meeting. These comment grids include feedback from the previous meeting and the corresponding responses from CHA.

If you need foreign language interpretation services or assistance interpreting any of the below documents e-mail chala@thecha.org.

Documents

- [Board of Commissioners – November 19, 2024 Public Comment Session Responses](#)
