Digital Resource Centers

Part computer lab, part community space

CHA has nine Digital Resource Centers (DRCs) located in various CHA family properties and community centers across Chicago. These centers can hold between 20 and 40 people.

DRC's are staffed by CHA residents or Housing Choice Voucher Program participants. Each center has computers, updated software, projectors, and Wi-Fi.

What You Can Do There:

DRCs offer open computer time, technical help, and special programs for people of all ages. They are open to CHA residents and everyone in the community.

Booking the Space:

DRCs can be used by CHA programs, contractors, the Central Advisory Council/Local Advisory Councils, and community groups for training and events. To book a space, contact the DRC directly by email or phone and fill out a reservation form at least two weeks before your event.
