- (a) The initial term of this Lease is 12 months, unless otherwise modified or terminated based on this Lease. The Lease is automatically renewable except for noncompliance with the community service requirements or participation in an Economic Independence program for applicable households.
- (b) The rent amount is stated in the Lease #5 above. Rent shall remain in effect unless adjusted by the CHA, according to this Lease. The rent amount shall be determined by the CHA in compliance with United States Department of Housing and Urban Development (HUD) regulations and the CHA approved Rent Policy.
- (c) Each time a resident’s check for rent is not honored (due to insufficient funds) the CHA will collect a fee of \$30. If the resident’s check is not honored three times, the CHA will not accept personal checks during the remainder of the lease term.
- (d) During the re-examination process, residents will have a choice to pay either flat rent or income-based rent. (Utility allowances do not apply to flat rent.)
- (e) Notice of Rent Adjustment and Grievance Rights: When the CHA makes any increase in the rent amount, the CHA shall provide written notice stating the effective date of the rent adjustment to the resident no less than 30 days prior to the effective date. If the rent decreases, the CHA may provide less than a 30 day notice if necessary, in order to comply with the requirements set forth in Lease Section 4(d) 1 and 2. The resident may ask for an explanation of the specific grounds of the decision of the CHA concerning rent, dwelling size, or eligibility. If the resident does not agree with the decision, the resident shall have the right to request a hearing under the **CHA Grievance Procedure**.

Section 2. Charges in Addition to Rent

- (a) In addition to rent, the resident is responsible for the payment of any other charges not limited to those specified in the Lease. The Notice of Charges in Addition to Rent shall advise the resident that they have the right to an explanation of the charges, and that disputes about charges may be resolved through the CHA Grievance Procedure.
- (b) Reasonable Accommodations: Qualified persons approved for reasonable accommodations, in the form of equipment or devices necessary for the treatment of the disability or to facilitate access to the dwelling unit, common areas, community facilities, or grounds, will not be charged for the reasonable accommodation.
- (c) Charges in addition to rent are due on the first day of the month after the CHA has provided the resident a minimum of 14 calendar days' notice. The additional charges will be added to and become part of the resident's monthly rental account if not paid based on the notice received. The resident may be granted the chance to enter into a reasonable payment agreement based upon the resident's monthly adjusted income and payment history. Charges in addition to rent can include but are not limited to:
1. Payment of utility charges.
 - a. For resident-paid utilities, the resident may pay for some or all utilities directly to the utility company and receive a monthly utility allowance, which is factored in the rent calculation, as specified in Lease #9 above.
 - b. Utility reimbursement payments are made by the CHA directly to the utility provider on the resident's behalf when the rent calculation, after subtracting the utility allowance, produces a negative amount. If the resident's actual utility bill is less than the utility reimbursement, the resident will receive the savings in the form of a credit on the utility provider's billing statement. If the resident's utility bill is greater than the utility reimbursement, the resident must pay the excess amount directly to the utility provider.
 2. Maintenance costs. The resident will be charged for services or repairs due to intentional, negligent, or reckless damage to the dwelling unit, assigned areas, common areas, or grounds beyond normal wear and tear caused by the resident, resident authorized members, resident's pet(s) and animal(s), or guest(s) or other person(s) under the resident's control. Charges will be made as listed on the Schedule of Maintenance Charges posted by the CHA, or when work is not listed on the Schedule of Maintenance Charges, charges will be equal to the actual cost to the CHA for the labor and materials needed to complete the work.
 3. Installation charges. The CHA shall charge for the installation of approved resident supplied air conditioners and other approved appliances or equipment that require special wiring or structural changes to the dwelling unit or premises.

Section 3. Security Deposit

- (a) The exact dollar amount of the security deposit is noted in Lease, #7 above. Existing residents who have not paid a security deposit must pay a deposit of \$75.00 within three months of signing the Lease. Security deposits shall not be increased even if rent increases.
- (b) The CHA shall deposit the security deposit in an interest-bearing account as listed in #7 above, supply the resident with information of the account and credit the resident's account on an annual basis, in accordance with state and local law and ordinances.
- (c) Following state and local laws and ordinances, after proper notice that the unit has been vacated the CHA shall complete a move-out inspection and return the security deposit with any interest

to the resident. The security deposit is subject to the deductions stated in this section and with state and local law. If deductions are made, the CHA shall mail an itemized statement of the reason(s) for the deductions to the last known address of the resident vacating the unit, within 30 calendar days.

The CHA may use the security deposit at the expiration or termination of this Lease for the following:

1. As collection for any rent that has not been validly withheld or deducted based on state or federal law or local ordinance; and
 2. To collect the cost of repairing any damages caused by the resident, resident authorized members, resident's pet(s) and animal(s), or guest(s), or other person(s) under the resident's control, excluding reasonable wear and tear.
- (d) Residents transferring from one CHA unit to another unit within the same development (intra-development) will have the security deposit credited to the new unit. If the resident transfers from one CHA development to a different development (inter-development) the CHA will refund the resident's security deposit minus any damages assessed. The resident will be responsible for paying a security deposit for the new dwelling unit equal to the original security deposit amount at the previous unit. If a security deposit was not collected on the previous unit a new security deposit equal to the minimum rent must be collected.
- (e) The security deposit shall not be used by the resident to pay the first or last month's rent.

Section 4. Scheduled and Interim Re-examination of Rent, Dwelling Size, and Eligibility

The rent amount as stated in Lease #5 above is due each month until the rent amount is modified or amended after a re-examination, as described in Sections VI and VII of the ACOP. Any changes in the lease must be in writing and result in a lease amendment or a newly signed lease.

(a) Scheduled Re-examinations:

As stated in Section VI of the ACOP, residents and all authorized members will be re-examined to determine eligibility for continued occupancy. As part of this re-examination, the resident and all adult authorized members of the household, including any live-in aide, will undergo a criminal background check and credit report review. Residents will have access to a copy of their criminal background check and an opportunity to participate in an individualized assessment before the CHA will consider lease termination (per compliance with the Cook County Just Housing Amendment, see II.F.12.).

The resident must supply the CHA with truthful written information about family composition, citizenship and/or eligible immigration status, age of resident authorized members, income and source of income of all resident authorized members, assets and related information necessary to determine eligibility, annual income, adjusted income, rent, and dwelling size. Failure to supply such information or misrepresentation of information is a serious violation of the terms of the Lease and may result in lease termination.

The resident and resident adult authorized members agree to comply with reasonable CHA requests for verification by signing releases or authorizations for third-party sources, including HUD Form 9886 and the CHA Authorization and Consent Release Form, presenting documents for review, or providing other suitable forms of verification. This information will be used by the CHA to decide whether the amount of the rent should change, whether the dwelling size is correct for the resident's needs, and whether the resident and all authorized family members are in compliance with the terms and conditions of the lease agreement. Failure to sign releases, including HUD Form 9886 and the CHA Authorization and Consent Release Form, is a serious violation of the terms of the Lease and

can result in lease termination.

(b) Interim Re-examinations:

As specified in Section VII of the ACOP, if there are any decreases in a family's income or household composition between scheduled re-examinations, an interim re-examination may be conducted. Certain changes require advance approval by the CHA.

1. Residents are required to report all changes in family composition or decreases in income to the property manager within 10 calendar days of the occurrence.
2. Failure to report decreases in income within the 10 calendar days will not result in a retroactive credit or rent reduction.
3. Residents are not required to report interim increases in income. Increases in income are only required to be reported at time of next regularly scheduled re-examination.

(c) Hardship Suspension/Exemption from the minimum rent:

A minimum rent hardship suspension will be granted to a resident who requests and can document, that due to a financial hardship they are unable to pay the minimum rent amount. If a resident paying minimum rent requests a hardship suspension, the CHA must suspend the minimum rent, effective the following month, and determine whether the resident qualifies for hardship exemption. A hardship suspension from the minimum rent does not mean the rent amount becomes zero (0). The family is required to pay the greater of 30% of adjusted monthly income or 10% of gross monthly income when that amount is less than the minimum rent. When appropriate, a hardship exemption will be granted considering the basis of the hardship and the amount the resident should be obligated to pay based on their income.

(d) Effective date of rent adjustments:

1. Timely Reporting (Within 10 calendar days of the occurrence)
 - Decreases - First day of the month after the decrease in income is first reported to the property manager.
Increases in rent are not required to be reported until the next regularly scheduled re-examination. Increases in income are not subject to reporting requirement within 10 calendar days of the occurrence.
2. Late Reporting (After 10 calendar days of the occurrence)
 - Decreases - The household is not entitled to a rent credit for any prior monthly rent before the decrease in income is reported to the property manager. Any required earned income disallowance (EID) period will occur, whether reported in a timely manner or not.
Increases in income are only required to be reported at time of next regularly scheduled re-examination. Increases in income are not subject to reporting requirement within 10 calendar days of the occurrence. The household will receive a charge for the prior months that were affected by the increase and not timely reported at least regularly scheduled re-examination. The rent increase should be manually calculated starting from the first day of the second month following re-examination date at which the increase in income should have been reported.

- (e) Retroactive rent charges will be applied only when it is found that the resident or resident authorized members have (1) misrepresented or omitted the facts on which the rent is based so that the rent the resident is paying is less than the rent the resident should have been charged; or (2) is late in reporting in accordance with Section VI and VII of the ACOP. The increase in rent shall be applied retroactively to the first of the second month following the event in which the misrepresentation or failure to report occurred. Failure to pay the retroactive charge may

result in termination of tenancy.

- (f) If the error in rent calculation is caused by information reported by the resident at admission or any re-examination, resulting in an overpayment by the resident, the resident's rent will decrease effective the month after reporting. Less than a 30 day written notice, if necessary, is allowable to correct the error. The resident will not receive a retroactive credit.
- (g) When the CHA makes a rent calculation error at admission or re-examination and it causes a household's rent to be too low, any increase in rent will not go into effect retroactively. The increase in rent will go into effect the first day of the second month after the CHA error is discovered and proper notice of the rent increase has been given to the household pursuant to Lease, Section 1(e). If the CHA's rent calculation error resulted in an overpayment by the resident, the resident has a choice between a check for overpayment or a credit to their account.
- (h) Upon HUD approval, when a resident's income is over 120% of the AMI for two consecutive years, the CHA will inform the over income resident that it will increase the family's monthly rent. The CHA will not evict a family for being over the 120% income limit if the family currently receives an Earned Income Disallowance or has a valid contract for participation in a Family Self-Sufficiency Program.

Section 5. General Conditions for Use and Occupancy of the Dwelling Unit

- (a) The dwelling unit shall be the sole domicile of the resident and resident authorized members.
- (b) The resident and resident authorized members shall have the right to exclusive use and occupancy of the dwelling unit. The resident and resident's authorized members shall not assign the Lease, nor sublease the dwelling unit.
- (c) The dwelling unit must be used only as a private residence solely for the resident and resident authorized members named on the Lease. The resident must request and receive prior written approval from the CHA for the resident to use their dwelling unit for legal profit-making activities incidental to the primary use of the dwelling unit.
- (d) The resident shall have the right to allow individual guests or visitors for a period up to 30 calendar days in a calendar year; however, each visit cannot exceed seven consecutive calendar days. If the resident wishes a guest to remain longer than seven consecutive days or more than 30 calendar days in a calendar year, the resident must submit a written request to the property manager. The CHA will not unreasonably deny a request for an extension.
- (e) The CHA may ban/bar visitors who engage in any behavior that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents, CHA employees, agents of the CHA, or other persons, including criminal activity cases. Visitors banned for such behavior, will be restricted from entering CHA properties. A resident will be notified by CHA and/or property manager when a guest of theirs has been banned. Residents may grieve the CHA's decision to ban a visitor in accordance with the **CHA Grievance Procedure**.
- (f) Violation of any of the terms of this Lease Section or the ACOP Section IV, is cause for termination of tenancy.

Section 6 Pet and Assistance Animal Ownership:

- (a) Prior written approval is required to bring any common household pets or assistance animals on the premises in accordance with Section XII of the ACOP and this Lease section. Failure to comply with the requirements of Section XII of the ACOP or this Lease section may be cause for termination of tenancy.
- (b) Only one (1) cat or (1) dog, an aquarium larger than one (1) gallon but no larger than twenty (20) gallons, or a pair of birds, gerbils, hamsters, rabbits, or guinea pigs are permitted on the property. Cats are limited to 15 pounds (at adult weight). Dogs are limited to 35 pounds and 24 inches in height from the floor to the top of their head (at adult weight and height). Based on disability related need CHA may, on a case by case basis, determine a resident is allowed more than one emotional support or service animal.
- (c) Residents must pay a non-refundable pet application fee of \$50.00 for pets at the time the pet application is submitted. (e.g., a pet application fee for each of the following: a dog, a cat, an aquarium larger than 1 gallon and up to 20 gallons, or a pair of caged birds, gerbils, hamsters, rabbits, or guinea pigs.)
- (d) Residents shall pay a refundable pet deposit 50.00 for an aquarium of fish or turtles and/or for one or a pair of birds, gerbils, hamsters, or guinea pigs. Residents shall pay a refundable pet deposit of \$100.00 for a dog or for a cat.
- (e) Pet deposits are refunded within 45 calendar days after the resident has moved from the property or the resident no longer has ownership of the pet. CHA shall have the right to use the pet deposit to pay reasonable expenses attributable to damage caused by the pet. Such expenses can include, but are not limited to, fumigation of the unit and cost of repairs and replacement to the unit. CHA will notify the resident in writing of any deductions taken from the pet deposit within 30 calendar days.
- (f) Prior written approval and verification of the need for an assistance animal from a knowledgeable professional and confirmation by CHA is required before bringing an assistance animal on the property. Once approved, the qualified resident with disabilities will be exempt from the pet application fee and pet deposit. The assistance animal may not be subject to breed, size, and weight limitations. However, qualified residents with disabilities who have an assistance animal are required to comply with all other parts of the ACOP Section XII and this Lease and will be responsible for all actions caused by the assistance animal. Assistance animals are animals that assist, support, or provide service to persons with disabilities, and include Service Animals and Support Animals.
- (g) For cats and dogs, including assistance animals, the resident must provide proof of having current rabies inoculations and verify the pet/assistance animal is spayed/neutered or a letter from a veterinarian giving a medical reason why the procedure cannot be performed for each reexamination. For dogs, the resident must provide proof of having a current City of Chicago Dog License and provide verification of the dog's breed. Cats and dogs must wear a current rabies tag and an identification tag specifying the resident's name, address, and telephone number at all times.
- (h) Animals Not Permitted: Breeds of canines (full or partial) used for attack or defense purposes including, but not limited to, Rottweilers, Pit Bull Terriers, Chows, and Doberman Pinschers. Overly aggressive cats, with a known or suspected propensity, tendency, or disposition to unprovoked attacks, will also be excluded. Certain types of birds, including but not limited to hawks, eagles, condors, and pigeons, are not allowed. Any poisonous or life-threatening reptiles

and exotic or dangerous animals (e.g., snakes, iguanas, pigs, wild animals such as wolves and big cats, etc.) are not considered common household pets and are not allowed on CHA property under any circumstances. Breed restrictions do not apply to animals that assist, support or provide service to persons with disabilities. It is a material violation of the lease to breed any animals in the unit. Failure to comply is cause for lease termination.

- (i) All residents owning pets and/or assistance animals are responsible for proper disposal of fecal waste in a manner that will not damage or deface the unit or premises. Failure of the resident to remove and dispose of waste will result in a \$20.00 charge per occurrence. Continued violation is cause for lease termination.
- (j) Pets are not permitted in common areas (e.g., solariums, craft rooms, social rooms, laundry rooms, maintenance space, playgrounds, TV lounges, etc.). Lobby areas are available to pets for entering and exiting the property only. Assistance animals for qualified persons with disabilities are exempt from this restriction.
- (k) All residents owning pets and/or assistance animals must be able to care for their animals, keep them and the units in a safe and healthy condition, and be responsible for any damage, beyond reasonable wear and tear, caused by the pets and/or assistance animals; including, but are not limited to, fumigation of the unit and cost of repairs and replacement to the unit. Residents owning pets and/or assistance animals must meet these requirements on their own or as part of a reasonable accommodation, with assistance from some source other than the CHA. It is a material violation of the lease for a resident to neglect, abuse, or abandon their animal(s).

Section 7. Housing Transfers

The CHA has the authority to relocate a resident and resident's authorized members to another unit in the same or different development under the CHA transfer policy pursuant to ACOP, Section V. For a detailed list and application of each type of transfer, see ACOP, Section V.

- (a) Failure to transfer when required under an emergency or mandatory transfer may subject a family to lease termination.
- (b) Failure to maintain lease compliancy will result in denial of the transfer and may be cause for lease termination.
- (c) For voluntary, incentive mixed-income/mixed-finance, or family public housing transfers, refusal of a unit offer with or without good cause will result in the removal of the household from the transfer wait list.
- (d) Residents are solely responsible for all costs associated with Incentive Choose to Own Program transfers.
- (e) The CHA will pay the costs associated with moving, storage (up to 90 days), and transfer of utilities ("moving expenses") for all transfer types, transfers prior to RAD PBV conversion and Voluntary Administrative Transfers. Family public housing resident transfers will be covered only in the case of "Gautreaux Transfers".
- (f) Family public housing resident transfers offer moving expenses coverage only to residents currently living in Limited Areas and requesting to transfer to General, Revitalizing, or Opportunity Areas—such transfers are recognized as "Gautreaux transfers." Residents are responsible for all expenses for non-Gautreaux transfers provided via the Family Public Housing Resident Transfer process.
- (g) The CHA may revise the transfer categories below to create and implement special programs and/or incentives for the benefit of residents.

Types of CHA Transfers:

1. Emergency Transfers: A mandatory transfer upon determination by the property manager, the CHA, or in a legal proceeding that unit or building conditions pose an immediate threat to resident life, health, or safety.
 - a. Prior notice is not required for an emergency transfer.
 - b. Emergency conditions that occur due to resident abuse or neglect will be grounds for emergency transfers; however, the responsible resident will be charged for the damages caused to the unit and may have their lease terminated.
 - c. Refusal to accept an emergency transfer is grounds for lease termination and eviction.

2. Transfers under the RRC or Post 10/1/99 RRC, including:
 - a. Transfers out of housing to be demolished, rehabilitated, or revitalized;
 - b. Transfers back into housing that has been rehabilitated or revitalized; or
 - c. One time transfers out of mixed-income/mixed-finance housing into a unit where the resident meets the site-specific requirements. This section is not applicable to residents receiving a Family Public Housing Transfer to a mixed-income/mixed-finance community.
 - d. This section is not applicable to residents not covered by the RRC or Post 10/1/99 RRC.

3. Mandatory Administrative Transfers: include, but not limited to:
 - a. Transfers to move residents not requiring the accessibility features of the current unit so the unit may be occupied by a qualified person with a disability requiring the accessibility features.
 - b. Transfers requested by a resident and approved by the CHA to resolve problems of a life-threatening nature not related to unit or building conditions, including but not limited to removing residents from dangers of domestic violence, sexual assault/violence, dating violence, stalking, or hate crimes, and other documented situations of non-random violence that put a resident's life in danger.
 - c. CHA initiated transfers for families who are over housed (living in a bedroom size too large) and families who are overcrowded (living in a bedroom size too small) in accordance with the Occupancy Guidelines (ACOP, Section II.J).
 - d. Transfers to permit unit modernization other than that covered by the RRC or the Post 10/1/99 RRC.
 - e. Transfers of residents who have completed the requirements for homeownership in the Choose to Own homeownership program and have purchased a home. These transfers do not apply to households who do not meet the income requirements to receive a Housing Choice Voucher.
 - f. Transfers based on extenuating circumstances.

4. Transfers Between Programs:
 - a. Transfers of public housing residents prior to RAD conversion, if available, may be requested approximately 180 days prior to prospective effective day of the HAP contract. Residents are responsible for costs associated with this transfer.
 - b. The CHA shall have the authority to authorize transfers between housing programs when processing mandatory administrative and emergency transfers. If the CHA cannot accommodate a transfer within the same program (e.g., Public Housing to Public Housing), the CHA may authorize a transfer outside of the resident's current program.

5. Voluntary Administrative Transfers:

- a. A transfer available to residents to move from a Limited Area (as defined in the Gautreaux court orders) to a General or Revitalizing Area, or any unit otherwise authorized by the court in the Gautreaux case.
- b. Senior designated Housing transfers to lease-compliant residents of senior buildings impacted by the FY2005 Senior Designated Housing Plan (SDHP) who wish to transfer from the senior designated housing property to a family property and who were in residency on the date of the FY2005 SDHP designation.
- c. Transfers available to elderly lease-compliant residents of family properties who wish to transfer to a senior designated housing property and who were in residency on the date of designation.

6. Family Public Housing Resident Transfers: A transfer requested by heads of household living in a family-serving property (traditional, mixed-income, scattered site) who have been in their current units for at least one year.

- a. The CHA will allow a resident living in a family property to select a family public housing site-based waitlist which they can request to transfer.
- b. The CHA will process Family Public Housing Resident Transfers on an ongoing basis in conjunction with new admissions from the wait list.
- c. Resident lease compliance will be reviewed before the Family Public Housing Resident Transfer will take place. Failure to maintain lease compliance will result in the Family Public Housing Resident Transfers request being denied.

Section 8. Resident's Obligations

The resident and all resident authorized members must comply with this section. Failure to comply will subject the family to lease termination. A criminal conviction is not needed to demonstrate serious violations of the Lease. Residents and resident authorized members are obligated:

- (a) To comply with all responsibilities imposed upon the resident and resident authorized members by applicable provisions of the building and housing codes materially affecting health and safety, and to allow the CHA to make necessary inspections of the resident's dwelling unit pursuant to Section VI. - (f) To act and cause resident authorized members, pets/animals, visitors, and/or guests to behave in a manner that will not disturb other residents' peaceful enjoyment of their accommodations and that will contribute to maintaining the building and/or development in a decent, safe, and

- (g) To use in a reasonable manner all electrical, plumbing, sanitary, heating, ventilation, air conditioning, and other appurtenances, including elevators.  - 4. Resident further agrees that Resident shall be responsible for damage to the unit and Resident's property as well as injury to Resident and Resident's Invitees resulting from Resident's failure to comply with the terms of this paragraph.
- (i) To keep dogs, cats, other common household pets, and assistance animals on the premises, only in agreement with the Pet and Assistance Animal Policy located in Section XII of the ACOP and Lease Section 6. Pet and Assistance Animal ownership requires prior written consent and approval of a pet application, which will become part of this Lease.
- (j) To dispose of all ashes, garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner.
- (k) To remove from CHA property any vehicles owned or in the control of the household, that are without valid registration and inspection stickers. To refrain from parking any vehicles in any right-of-way, fire lane, or other CHA property not designated for parking purposes. Any inoperable or unlicensed vehicle as described above will be removed from CHA property at the resident's expense. Automobile repairs are not permitted on CHA property.
- (l) To not change locks or install new locks or anti-theft devices without the written approval of the CHA. If the CHA approves the request to install such locks, the resident agrees to provide a key for each lock. When this Lease ends, the resident agrees to return all keys to the dwelling unit to the property manager. The CHA will charge the resident \$35 for each key not returned.
- (m) To abide by the necessary and reasonable policies and procedures established by the CHA, for the benefit and well-being of the housing development and the residents, which shall be posted in the management office and incorporated by reference in the Lease.
- (n) To refrain from and cause resident authorized members and guests to refrain from:

1. Engaging in any activity, including physical and verbal assaults, that threaten the health, safety, or right to peaceful enjoyment of the premises by other residents, CHA employees, agents of the CHA, or persons.
2. Engaging in any criminal activity that threatens the life, health, or property of other residents, CHA employees, agents of the CHA, or other persons.
 - a) If a resident or an authorized member of a resident's lease is a victim of domestic violence, sexual assault/violence, dating violence, or stalking, engaged in by a member of the resident's household or any guest or other person under the resident's control, then this alone will not be a cause for termination of the tenancy or occupancy rights.
 - b) The CHA may remove a member from the Lease, without regard to whether the member is a signatory to the Lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a resident or authorized member, and who engages in criminal acts of physical violence against the resident or other authorized members or against others, without evicting, removing, terminating assistance to or otherwise penalizing the victim (authorized family member) of such violence, who is also a resident or authorized member.
 - c) Once notified, the CHA retains authority to honor court orders addressing the rights of access to or control of the property, including civil protection orders: (a) issued to protect the victim (authorized family member), and (b) issued to address the distribution or possession of property among authorized family members in cases where a family breaks up.
 - d) The CHA maintains the right and authority to evict a resident or authorized member of the resident's household, including a victim of domestic violence, sexual assault/violence, dating violence, or stalking for any violation of the lease not premised on the act or acts of violence in question. The CHA must not subject an individual (authorized family member) who is or has been a victim of domestic violence, sexual assault/violence, dating violence, or stalking to a more demanding standard than other residents in determining whether to evict or terminate.
 - e) The CHA maintains the authority to terminate the tenancy of any resident if the CHA can demonstrate that the resident, authorized members of the resident's household, any guest or other person under the resident's control, are causing an actual and imminent threat to other residents, CHA employees, agents of the CHA, or other persons.
3. Engaging in any drug-related criminal activity on or off CHA premises. For purposes of the Lease, the term drug-related criminal activity means the illegal manufacture, sale, distribution, use of a drug or the possession of a drug with intent to manufacture, sell, distribute or use the drug.
4. Engaging in the use, possession, distribution, or growing of cannabis (see "Cannabis Policy" in Section IV.F of the ACOP). In situations where there are allegations that a resident has violated applicable cannabis laws, or engaged in the use, possession, distribution, or growing of cannabis, the CHA will consider relevant facts on a case-by-case basis and mitigating circumstances that are presented.
5. Engaging in the use and/or possession of medical marijuana (see "Medical Marijuana Policy" in Section IV.F of the ACOP). The CHA may not make any distinction between the use and/or possession of medical marijuana and any other drug-related criminal activity.

6. To personally refrain from and to cause resident authorized members, guests and other persons under the residents' control to not display, use, control, or possess anywhere on or near CHA property any firearms, ammunition, or other weapons in violation of Federal, State, and local laws. Unless required by lawful employment, and in accordance with law, it shall be a lease violation to:
 - a) Display, intentionally or unintentionally, a weapon while on or near CHA Property, or
 - b) Hide or conceal, intentionally or unintentionally, a weapon on one's person or belongings while on CHA Property, or
 - c) Fire or otherwise discharge, intentionally or unintentionally, the weapon while on or near CHA Property, or

 - (o) To refrain from and keep persons under the resident's control from engaging in any criminal activity that threatens the health, safety, or right of peaceful enjoyment of the premises by other residents, CHA employees, agents of the CHA, or other persons. To have persons under the resident's control refrain from any drug-related criminal activity on the premises.
 - (p) To refrain from and prohibit resident authorized members from allowing guests or persons who are under Electronic Home Detention Program (Home Monitoring/House Arrest Program) from entering or residing on the premises.
 1. Cook County Electronic Monitoring Program: Resident must notify the CHA within 48 hours of the return of an authorized member who is a participant in the Cook County Electronic Monitoring Program to their unit. Failure of the resident to notify the property manager in a timely fashion is grounds for lease termination. Allowing residency of a participant in the Cook County Electronic Monitoring Program in the resident's unit who is not on the Lease as an authorized member for that unit is grounds for lease termination.
 2. Resident and/or resident authorized members, who are found to be a participant in the Cook County Electronic Monitoring Program, may be subject to termination of their tenancy of the household, pursuant to Section 16 of this lease, if the alleged criminal activity underlying their arrest is a violation of the lease.
 3. Illinois Department of Corrections Electronic Monitoring Program: Felons participating in the Illinois Department of Corrections (IDOC) Electronic Monitoring Program who are not authorized member(s) of the resident's current lease are barred from entering or residing in the resident's unit. Allowing residency of a felon participating in the IDOC electronic monitoring program in the resident's unit who is not on the lease as an authorized member for that unit is grounds for lease termination.
 4. Residents and/or resident authorized members, who are found to be a participant in the Illinois Department of Corrections Electronic Monitoring Program based on the conviction where the underlining criminal activity is a violation of the lease, is caused for termination of tenancy of the household.

- (q) To ensure that resident authorized members between the ages of 7 and 17 living in the household attend school in accordance with the anti-truancy statutes of the State of Illinois. - (r) To notify the CHA of any additions to the household (by child birth, adoption, or court-awarded custody to a current member of the household during tenancy, excluding foster care arrangements) within 10 calendar days of the occurrence, and to refrain from permitting any unauthorized persons to join the household.
- (s) To comply with the CHA Work Requirement (Lease Section 21) and the Community Service and Economic Independence Requirement (Lease Section 22).

- (u) To pay reasonable charges (other than for normal wear and tear) for the repair of damages to the dwelling unit or to the development (including damages to buildings, facilities, or common areas) caused by the resident, a member of the resident's household, pets/animals, or a visitor/guest of the household.
- (v) To refrain from providing accommodations to boarders or lodgers, assigning the lease, or subleasing the dwelling unit.

 1. Changing or removing any part of the appliances, fixtures, or equipment provided by the CHA in the unit;
 2. Painting or installing wallpaper or contact paper in the unit;
 3. Attaching awnings or window guards in the unit;
 4. Attaching or placing any fixtures, signs, or fences on the building(s), the common areas, or

- the development grounds;
5. Attaching any shelves, screen doors, or other permanent improvements in the unit;
 6. Installing washing machines, dryers, fans, heaters, or air conditioners in the unit;
 7. Placing any aerials, antennas, or other electrical connections on the unit or building exterior;
 8. Installing burglar bars and/or gates on the premises; or
 9. Having a waterbed on the premises.
- (b) Alterations, additions, and improvements that cannot be removed without permanent damage to the dwelling unit shall become the property of the CHA without payment to the resident.
- (c) The CHA agrees to provide reasonable accommodations to an eligible qualified resident with disabilities, including making changes to rules, policies, or procedures, and making and paying for a reasonable accommodation to a unit or common areas. The CHA is not required to provide accommodations that constitute a fundamental alteration to the program or which would pose an undue financial and administrative burden.
- (d) The CHA will consider the needs and concerns of victims of domestic violence, sexual assault/violence, dating violence, or stalking when considering requests for alterations, additions, or improvements to the dwelling unit.

Section 10. Changes in the Household

- (a) Children born, adopted, and granted through a court-awarded custody agreement (excluding foster care arrangements) to a current member of the household during tenancy will automatically be added to the Lease upon prompt notice (within 10 calendar days of the occurrence) by the resident.
- (b) As stated in Section IV of the ACOP, the addition of foster children, foster adults, kinship care children, and live-in aides to the household, require the prior written approval of the CHA. The CHA will not approve lease addition requests for adults. Exceptions will be made for legally protected relationships or extenuating circumstances determined at the sole discretion of the CHA. Any such approval is required prior to bringing the person(s) into the household. Person(s) residing in the household without CHA approval will be considered unauthorized occupants, and the entire household will be subject to lease termination.
- (c) Prior written approval to add a live-in aide is required and shall not be unreasonably refused. Live-in aides are required to meet all admissions screening criteria except employment. Per Section IV.D. of the ACOP, and in accordance with the Lease, a live-in aide resides in the unit for essential care and necessary supportive services to one or more elderly, near elderly residents, or a resident with a disability. A live-in aide is not required to share a bedroom with another member of the household and may be assigned their own bedroom. A live-in aide may not move into a unit if it would create overcrowding as defined by CHA occupancy standards. However, a resident may be transferred as reasonable accommodation to allow a Live-in aide. If the addition of the live-in aide will not overcrowd the current unit, the CHA will not transfer the resident or increase the bedroom size. A resident's bedroom size will not be adjusted to allow the family members of a live-in aide; a live-in aide's family members cannot cause overcrowding in the unit. Live-in aides have no rights as remaining family members regardless of the familial relationship and upon the death, eviction, departure, or abandonment of the assisted resident family member, the live-in aide must leave the unit. Failure to leave is cause for eviction.
- (d) The CHA shall approve or disapprove a resident's request to allow a foster child, foster adult, kinship care child, live-in aide, or adult to be added to the lease and move into the dwelling unit

within 30 business days of receipt of the completed request package by the CHA Occupancy Department. This time period can be extended if there is a delay beyond the control of the CHA or the resident.

- (e) Resident authorized members who move out of the dwelling unit, for any reason, shall be reported by the resident to the CHA in writing within 10 calendar days of the occurrence. The resident shall complete a Move-Out Affidavit.
- (f) Remaining family members: If the head of household dies, continued occupancy by remaining family members is only permissible if there is at least one family member on the Lease living in the household who can pass applicant screening and is 18 years old or over or an emancipated minor. The household must be lease compliant at the time of the request. Remaining family members must have lived in the unit as an authorized occupant on the Lease, for a minimum of three consecutive years (36 months) to become the head of household, and without any unauthorized extended absences. If the entire household has resided in public housing for less than three consecutive years, the CHA will consider the timeframe the family has lived in housing as the minimum time period for determining the rights of the remaining head of household status.
- (g) If the head of the household leaves the unit without housing subsidy assistance (e.g. institutionalization, forming a new household in unsubsidized housing and giving their RRC or Post 10/1/99 RRC rights to the remaining family members with written documentation, etc.), the CHA may permit the remaining family members to continue to occupy the unit if there is one or more family members who is 18 years old or over on the Lease, living in the unit for a minimum of three consecutive years (36 months), and who can pass applicant screening. The household must be in lease compliance at the time of request. Continued occupancy by family members is not allowed when the head of household's move from the unit was initiated under the CHA Leaseholder Housing Choice and Relocation Rights Contract 10/1/99, the CHA Relocation Rights Contract for Families with Initial Occupancy after 10/1/99, or Victims Assistance.
- (h) When a head of household leaves a household with children or adults with a disability who cannot assume the role of the head of household, and there is no remaining family member to assume the head of household role, the lease will be terminated. Subject to program eligibility and voucher availability, the CHA may offer either a HCV or a public housing unit to the permanent legal custodial guardian.
- (i) A new head of household, under the above paragraph (g), will be charged for any arrearages incurred by the former head of household. The CHA reserves the right to establish a payment plan with the new head of household. Consideration will be given to whether an eviction for arrearages would result in the separation of the family.
- (j) If this Lease is an extension of occupancy by the resident's household under a prior Lease or Leases with the CHA, any amounts due under the prior Lease or Leases may be charged and collected as if the amounts due occurred under this Lease.

Section 11. CHA Obligations

The CHA is obligated:

- (a) To maintain the dwelling unit and development in a decent, safe, and sanitary condition.
- (b) To comply with the requirements of applicable city building codes, housing codes, and HUD regulations materially affecting health and safety.

- (c) To make necessary repairs to the dwelling unit.
- (d) To keep buildings, facilities, and common areas in CHA's control, not otherwise assigned to the resident for maintenance and upkeep, in a clean and safe condition.
- (e) To maintain in good and safe condition and working order electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances, including elevators supplied or required to be supplied and control by the CHA. In multi-story buildings control by CHA, the CHA agrees to keep the stairwells clean and free of debris.
- (f) To provide and maintain appropriate receptacles and facilities (except containers for the exclusive use of a resident) for the deposit of garbage, rubbish, ashes, and other waste removed from the dwelling unit by the resident.
- (g) To supply running water, reasonable amounts of hot and cold water, and a reasonable amount of heat at proper times of the year according to local custom and usage, except where the building that includes the dwelling unit is not required by law to be equipped for that purpose, or where heat or hot water is generated by an installation within the exclusive control of the resident and supplied by a direct utility connection.
- (h) To notify the resident of the specific grounds for any proposed adverse action by the CHA, and when applicable, to inform the resident of their right to a grievance hearing under the **CHA Grievance Procedure**.
- (i) Reasonable Accommodations for Residents with Disabilities: Upon request and verification for structural modification or policy accommodation by a qualified resident with disabilities, or head of household on behalf of a family member with disabilities, the CHA will provide reasonable accommodations after determining that making the requested modification or accommodation would not result in a fundamental alteration in the nature of its program or an undue financial and administrative burden. If providing such modification or accommodation would result in a fundamental program alteration or undue financial and/or administrative burden, the CHA will take alternate action to accommodate the individual. Reasonable accommodations will be provided pursuant to Section I of the ACOP and the **CHA Reasonable Accommodations Policy and Procedure**.
- (j) Where applicable, to abide by the terms and conditions of the CHA Leaseholder Housing Choice and Relocation Rights Contract 10/1/99 and the CHA Relocation Rights Contract for Families with Initial Occupancy after 10/1/99.
- (k) To provide an explanation of the Lease provisions.
- (l) To comply with obligations under Violence Against Women's Act, including but not limited to assisting residents who are victims of domestic violence, sexual assault/violence, dating violence, or stalking, consider lease bifurcation if applicable, maintaining confidentiality of information received, and selectively sharing information so as to maintain confidentiality. Information may be disclosed if required for use in an eviction proceeding, required by law, or with the resident's consent.
- (m) To comply with obligations under the Cook County Just Housing Amendment (see Section II.F. of the ACOP).

Section 12. Entry of Premises during Tenancy

- (a) Upon reasonable advance notice (48 hours prior to entry), any duly authorized agent, employee, or contractor of the CHA will be permitted to enter the dwelling unit during reasonable hours (8:00 a.m. to 5:00 p.m.) for the purpose of performing routine maintenance, making improvements or repairs, inspecting the unit, or showing the unit for re-leasing.
- (b) When the resident calls to request maintenance on the dwelling unit, the CHA shall acknowledge receipt of the request within 24 hours and the resident will be provided a 48-hour window in which work orders will be completed. A request for maintenance creates permission for the CHA to enter the unit and perform the maintenance. If the resident is not at home when the CHA performs the requested maintenance, the CHA shall leave a copy of the completed work order in the unit.
- (c) Aside from maintenance requests, the CHA shall give all residents a minimum 48 hours written notice that the CHA intends to enter the dwelling unit and state the reason for entry. Qualified residents with disabilities will be provided notice in the alternative format requested by the resident (e.g., Braille, large print, audiotape, etc.).
- (d) If necessary, notices for entry into the premises for extermination purposes can be posted to the resident's front door.
- (e) The CHA may enter the resident's dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists that poses an immediate threat to the health, safety, and/or welfare of residents and/or employees. Legitimate emergency conditions will not be used as a pretext for unit inspections.
- (f) If the resident and all adult members of the household are absent from the dwelling unit at the time of entry, the CHA shall leave a written statement in the dwelling unit specifying the date, time, and purpose of entry prior to leaving the dwelling unit.

Section 13. Defects Hazardous to Life, Health or Safety

If the dwelling unit is damaged to the extent that it creates conditions hazardous to the life, health, or safety of the occupants, the following terms will be applicable:

- (a) CHA Responsibilities and Services: The CHA shall be responsible for repair of the unit within a reasonable period of time after receiving notice from the resident. If the damage was caused by the resident, resident authorized members, resident's pet(s), animal(s), guests, or persons under the resident's control, the reasonable cost of the repairs shall be charged to the resident. The reasonable period of time to abate and repair an emergency is 24 hours.
- (b) If necessary repairs cannot be made within a reasonable time, the CHA shall offer the resident decent, safe, and sanitary alternative lodgings.
- (c) If repairs cannot be made by the CHA within a reasonable amount of time, or if decent, safe and sanitary, alternative lodgings that do not contain hazardous defects are unavailable, then rent shall abate in proportion to the seriousness of the damage and loss in value as a dwelling unit. The abatement will remain in effect until the damage is corrected.
- (d) No abatement of rent shall occur if the resident rejects the alternative lodgings and remains in the dwelling unit or if the damage was caused by the resident, resident authorized members, resident's pet(s), animal(s), guests, or persons under the resident's control.

- (e) If the resident's dwelling unit is uninhabitable or is hazardous to life, health, and safety, and if a decent and sanitary alternative lodging that does not contain hazardous defects is offered and refused and the resident refuses to leave the unit until it is repaired, the resident's Lease may be terminated.
- (f) Resident Responsibilities: The resident shall immediately notify the property manager of the damage to the dwelling unit that is hazardous to life, health, or safety of the occupants. The resident agrees to continue to pay full rent, less the abated portion, during the time the defect remains uncorrected.
- (g) The CHA shall not be liable for any injuries or property damage sustained on any premises leased or assigned to the resident except for injuries or property damage resulting from intentional or negligent acts or omissions on the part of the CHA, CHA representatives, or agents of the CHA. CHA encourages and recommends that resident obtains renters insurance.
- (h) All accidents involving injury or loss of property to the resident and/or resident authorized members, resident's pet(s), animal(s), guests, or persons under the resident's control must be reported, verbally or in writing, to property management within five (5) business days. Failure to comply with this reporting procedure does not waive or foreclose any legal or equitable remedies the person may have against the CHA with respect to said damages or injury.
- (i) CHA makes no representation that its premises are safe from the threat of theft, injury or damage to residents, residents' families, or the residents' property. CHA makes no representation that its gates, fences, locks, security or surveillance cameras, and other equipment and services are provided for resident's safety. Any such items are provided for the protection of CHA's property.

Section 14. Inspections

- (a) All inspections will be conducted to evaluate unit conditions, identify health and safety violations, establish preventive maintenance programs, prepare unit rehabilitation specifications, or take other actions to improve the maintenance of units. Annual and interim inspections will be done pursuant to Section VI. D. of the ACOP.
- (b) Move-in Inspections: The CHA and the resident or their representative shall inspect the dwelling unit prior to occupancy. The CHA shall give the resident a written statement of the condition of the dwelling unit and note any equipment provided with the dwelling unit. The statement shall be signed by the CHA and the resident or their representative. A copy of the statement will be retained in the resident's folder. Any deficiencies noted on the inspection report will be corrected by the CHA at no charge to the resident prior to move-in or within 10 business days after move-in, provided the defect does not render the unit uninhabitable. In the event the CHA fails to correct the deficiencies within 10 business days of the move-in, the resident may exercise the remedy described in Lease Section 13(c).
- (c) Annual and Interim Inspections: Residents will be notified at least 48 hours in advance of any annual or interim inspections. The CHA shall inspect the condition of the dwelling unit, the equipment within, and any areas assigned to the resident for upkeep. Inspections will be used to determine the family's compliance with housekeeping standards and overall care of the dwelling unit and equipment. CHA will request work orders for items found to be in disrepair and residents will be given a 30 day notice for any housekeeping violations.

An interim inspection will occur at the end of the 30-day cure period to follow up on any housekeeping violations found during the annual inspection and measure corrections to any

identified unsatisfactory conditions and progress toward resolution of the problem. If the housekeeping violation has not been resolved during notice and any cure period, the CHA may proceed with lease termination.

Annual and Interim inspections of units will also occur where an extra bedroom has been granted in order to reasonably accommodate a resident or family member's verifiable disability. Management will inspect to see that the extra rooms are being utilized based on the documented reason for the accommodation (e.g., a live-in aide, large hospital bed, breathing apparatus, mobility aides, etc. are housed within the room). If the extra bedroom is not being used in accordance with the documented reason for the accommodation, the resident may be subjected to lease termination or mandatory transfer. Residents, including those with live-in aides, are responsible for housekeeping and subject to lease violations if found to be non-compliant.

- (d) Move-out Inspection: The CHA will inspect the dwelling unit at the time the resident vacates and give the resident a written statement of the charges, if any, for which the resident is responsible. In order to protect the resident's rights, the resident and/or representative may join in such move-out inspection, unless the resident vacates without notice to the CHA.

Section 15. Notice Procedures

- (a) Resident Responsibility: The Resident must personally deliver a written notice to the property management office or the central office of the CHA, or send it prepaid first-class mail properly addressed. Any notice to the CHA can be in an alternative format as a result of a request for a reasonable accommodation by a qualified resident with disabilities.

- (c) Notices for Lease Termination or non-renewal must be personally delivered to the resident or any adult resident authorized member (i.e., person aged 18 years or over residing in the dwelling unit) or sent properly addressed by prepaid first class to the addressee. If no one is in actual possession of the premises, the notice of termination may be posted on the premises.
- (d) Notices, other than a Notice for Lease Termination or non-renewal, may be delivered to the resident or any adult resident authorized member of the resident's household or sent by prepaid first-class mail properly addressed to the resident except as provided in Section 12 (d) and (e). If the Notice is mailed, receipt is considered to have occurred five (5) calendar days after mailing.

Section 16. Termination of the Lease

For termination of the Lease, the following procedures and Section XIII in the ACOP shall be followed by the CHA and the resident:

- (a) The resident may terminate this Lease at any time by giving 15 calendar days written notice². Failure to give notice to management may result in additional rent being charged to the resident's account. The resident is responsible for the final month's rent until the vacate date. The security deposit may not be used by the resident for the rent or other charges.
- (b) This Lease may be terminated by the CHA at any time only for serious or repeated violations of material terms of the Lease. A criminal conviction is not needed to demonstrate a serious or

If the hearing was timely requested, and the request is grievable under the CHA's Grievance Procedure, tenancy shall not terminate until the grievance process has been completed and results have been forwarded to the resident, even if the Notice of Lease Termination has expired.

Section 18. Abandonment

- (a) In accordance with local law, the resident shall be deemed to have abandoned the dwelling unit when (a) the resident has provided the CHA with actual notice indicating intent not to return to the dwelling unit; (b) the resident has been absent from the dwelling unit for 21 consecutive days, has removed all personal property from the dwelling unit and has failed to pay rent for that period; or (c) the resident has been absent from the dwelling unit for 32 consecutive days and has failed to pay rent for that period.

 - a. The family may designate any qualified family member as the head of household.
 - b. The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.
