The Chicago Housing Authority (CHA), with support from site design group, is beginning a community-centered design process for Carver Park and the open spaces in Altgeld Gardens. **Your voice matters!** We would like to hear how you currently use Carver Park and the open spaces in the area, and your priorities before we draft plans for your feedback!

*Chicago Transit Authority (CTA), The Forest Preserve District of Cook County (FPCC) and Chicago Parks District (CPD) will also attend to share information about their plans and programs.*
