The HomeMod Program may be modified from time to time in the sole discretion of MOPD.
- D. “Housing Choice Voucher” or “HCV” shall mean a rent subsidy in the form of a voucher, which is issued and/or administered by the CHA or its agents to enable low-income

ARTICLE 2 DUTIES AND RESPONSIBILITIES

Section 2.01 Scope of Services

A. Scope of Work

The services that MOPD shall provide during the term of the Agreement shall include, but not be limited to, (i) placing Households that have been qualified by the CHA as Qualified Disabled Households in line for HomeMod Program modifications, (ii) determining what modifications should be made in each Qualified Disabled Household apartment, and (iii) once the CHA approves the particular modification proposal/work order, then sending a work order to the MOPD delegate agency to perform the approved modifications.

The maximum grant amount of passed-through Modification Funds that MOPD may approve for expenditure on the installation of approved modifications within a given Qualified Disabled Household is \$10,000.00, and MOPD shall fund 100% of all Qualified Disabled Household apartment modifications with Modification Funds. Notwithstanding this upper limit, however, the parties agree and acknowledge that all costs in excess of \$10,000 that arise because of unforeseen on-site problems once a modification job gets under way shall be paid for with Modification Funds.

B. Statement of Work

I. CHA shall perform the following activities during the term of the Agreement:

- A. **Community Notification and Outreach:** CHA shall use its best efforts to publicize and notify HCV participants, with assistance from MOPD, of the purpose and availability of the HomeMod Program.
- B. **Determine Eligibility Requirements of Applicants:** CHA shall be the sole party to determine the eligibility of participants in the HCV program who shall qualify for participation in a Modification Fund-supported HomeMod Program. Participants that

apply with the CHA to qualify as a Qualified Disabled Household must meet the criteria established below:

1. Be an HCV Participant – the applicant must be an HCV Program (administered by the CHA or its representative) Participant. The CHA will provide a reliable process for timely verification of an HCV Participant’s voucher number.
 2. Have a disability or be part of a household with a disabled family member – the applicant intending to reside in the dwelling unit sought to be modified must be a person with a disability or must have a member of the family who is disabled and who intends to reside in the dwelling unit.
- C. **Waiting List Administration:** CHA will keep a waiting list of requests from Qualified Disabled Households.
- D. **Referral:** Once CHA approves a Qualified Disabled Household’s eligibility, CHA will refer the household to MOPD.
- E. **Payments From Modification Fund:** In addition to the annual payment of Modification Fund monies required under Sec. 4.02 hereof, the CHA will promptly pay additional Modification Fund monies to MOPD in the event there are insufficient Modification Funds available to complete existing projects.

II. MOPD shall perform the following activities during the term of the Agreement:

- A. **Requirement to Submit HomeMod Application to MOPD:** As Qualified Disabled Households are referred by the CHA from time to time to MOPD, each such household will be required to submit a HomeMod Program application to MOPD, in the form set out in Exhibit A hereof.
- B. **Applicant and Landlord/Property Management Agreement:** Applicant Qualified Disabled Household and the landlord/property management of that household’s apartment unit must give MOPD access to the unit to inspect the unit before any modifications are made via express, written agreement. Applicant, landlord/property management, and MOPD must agree to any modifications to be made to the unit by MOPD under the HomeMod Program via express, written agreement. If negotiations by MOPD with the landlord/property management do not result in an express written access agreement allowing MOPD and its agents to perform the agreed modifications, then that application will be rejected by MOPD and the Qualified Disabled Household will be ineligible to participate in the HomeMod Program.
- C. **Acceptance of a Qualified Disabled Household into the HomeMod Program with support funding from the Modification Fund:** A job for a Qualified Disabled Household shall be deemed accepted into the HomeMod Program only upon the affirmative completion of ALL the following steps:

- signed affirmation from the CHA that the applicant Household is a Qualified Disabled Household, and
- acceptance by MOPD of the HomeMod Program application as submitted by the Qualified Disabled Household, and
- an access agreement signed by the Qualified Disabled Household, the landlord/property manager, and MOPD, and
- the completion of a scope of work plan and pricing for the proposed modifications to the apartment, and
- signed affirmation from the CHA that the scope of work plan and pricing is approved by the CHA, and
- signed affirmation from the CHA (i) approving the allocation of 100% of the pricing for the job from the pre-paid Modification Fund money on hand with MOPD, and (ii) acknowledging that 100% of any job cost overage arising from unforeseen site problems will be taken by MOPD from the pre-paid Modification Fund money on hand, and
- signed affirmation from the MOPD delegate agency that it understands and agrees to both the scope of work and the price for the job, and to the work schedule for the job and the job's special access requirements, if any.

D. Performance of the Work: Once MOPD has accepted a Qualified Disabled Household job into the HomeMod Program pursuant to the criteria set forth in Section 2.01 B. II. C. above, then MOPD will place the modification project into MOPD's HomeMod Program construction schedule and will proceed with the work accordingly. MOPD will be the sole party to determine when a job has been satisfactorily completed; however, MOPD will use commercially reasonable efforts to have its contractors and delegate agents perform the project to the satisfaction of the Household, the CHA and the landlord/purchasing agent.

E. Adherence to MOPD/HomeMod Program Rules/Regulations: Once a Qualified Disabled Household is referred to MOPD by CHA, such household's continued qualification for and participation in the HomeMod Program is subject to all applicable HomeMod Program rules, procedures or requirements as set forth by MOPD from time to time in MOPD's sole discretion. The parties agree that the determination of continued qualification for the HomeMod Program for a given referred Qualified Disabled Household is solely in MOPD's discretion.

F. Contractors: MOPD will use and supervise its own delegate agents and contractors to perform the modification jobs under this Agreement.

G. **Legal Requirements:** All services provided by MOPD and its delegate agents or contractors will be performed in accordance with federal, state and municipal disability accessibility legal requirements.

H. **Reporting Requirements:** MOPD shall submit quarterly reports with year-to-date activity for each referred Qualified Disabled Household job. Information to be reported will include the (i) name, (ii) address, (iii) whether the household continues to be qualified for the HomeMod Program, (iv) project scope, (v) status of project completion, (vi) status of costs and expenditures, which will include lien waivers and construction draws.

Section 2.02 Performance Standards

MOPD shall perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by an entity performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. MOPD shall at all times use its best efforts to assure quality and timeliness in rendering and completing the Services. MOPD agrees that performing the Services in a satisfactory manner includes quickly responding to CHA's program related needs. Accordingly, MOPD shall return all telephone calls and respond to all electronic mail on a timely basis.

Section 2.03 MBE/WBE/DBE and Section 3 Compliance

For purposes of this Agreement, MOPD and its contractors are exempt from complying with the CHA's Minority, Women and Disadvantaged Business Enterprise ("MBE/WBE/DBE") requirements and the CHA's Section 3 requirements.

Section 2.04 Audit Requirement

The CHA retains an irrevocable right to independently or, through a third party, audit MOPD's books and records pertaining to this Agreement, and disallow any inappropriate billings upon written notice to MOPD. MOPD acknowledges the irrevocable right of HUD to independently, or through a third party, review and/or audit the MOPD's books and records pertaining to this Agreement. MOPD acknowledges that such right extends for three (3) years from the completion of Services and MOPD will retain applicable records for no less than this term of years or for such longer period as may be required by applicable laws or regulations.

Section 2.05 Confidentiality

MOPD agrees that any information it receives from the CHA that contains the personal identification of CHA tenants or their household members, or their specific addresses and unit numbers ("Confidential Information") shall not be distributed by MOPD to any individual or organization without the prior written approval of the CHA, other than to courts of competent jurisdiction or administrative agencies pursuant to a subpoena or an agency of the Federal or State Government or as may be required in response to a request under the Illinois Freedom of Information Act ("FOIA"). MOPD shall notify the CHA of any such request or subpoena for information promptly, but in any event prior to the required disclosure date.

Section 2.06 Force Majeure

In the event of war, flood, riot, epidemic, act of governmental authority in its sovereign capacity or act of God during the term of this Agreement, neither the CHA nor MOPD shall be liable to the other party for any nonperformance under this Agreement resulting from such event.

ARTICLE 3 TERM OF AGREEMENT

Section 3.01 Term

This Agreement shall commence on January 1, 2019 and shall continue for a four-year term through December 31, 2022 (the "Term") or until the Agreement is terminated in accordance with its terms, whichever occurs first. The Services shall be completed during the Term unless otherwise mutually agreed upon by the parties in writing.

Section 3.02 Options

There shall be one (1) additional one-year option to extend the Agreement. Any extension shall be under the same terms and conditions as this original Agreement. The Agreement shall be modified to reflect the time extension in accordance with the provisions of Section 9.03 of this Agreement. CHA shall notify MOPD One Hundred Eighty (180) days in advance of the expiration of the Term of its intent to exercise its option.

ARTICLE 4 COMPENSATION, PAYMENTS

Section 4.01 Amount of Compensation

Each party hereto will undertake the duties and obligations of this Agreement without compensation from the other party, other than the Modification Fund payments referred to below.

Section 4.02 Payment

As of the Effective Date, MOPD has available \$40,102.09 in unused Modification Funds. CHA shall pay MOPD a single payment of \$51,897.91 in additional Modification Funds not later than 30 calendar days after the Effective Date. Thereafter, the CHA anticipates making Modification Fund payments of not less than \$92,000.00 per year within 30 calendar days following the anniversary of the Effective Date. Notwithstanding the foregoing, CHA retains discretion to decrease or increase the amount of the Modification Fund payments, depending upon funding available to the CHA and demonstrated demand for the HomeMod Program.

Disputes over invoices, payments or accompanying information, if any, shall be resolved as set forth in Article 5 hereof.

Section 4.03 Non-Appropriation

Funding for this Agreement is subject to the availability of Federal funds from HUD and the approval for the use of such funding for the HomeMod Program by the CHA Board of Commissioners. In the event that no funds or insufficient funds are appropriated and budgeted or appropriated funds are rescinded by Congress in any fiscal period of the CHA for payments to be made under this Agreement, then the CHA shall promptly notify MOPD of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or when the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to MOPD under this Agreement beyond those amounts appropriated and budgeted by the CHA to fund payments hereunder.

In the event that CHA has funds available, and those funds are appropriated for the services/programs covered by this Agreement, then CHA, in its sole discretion, may increase the amount of Compensation by written notification to MOPD. In the event that CHA pays MOPD the total amount of Compensation for the Services without providing written notification of an increase in the amount of Compensation, no further payments shall be made under this Agreement unless and until (a) CHA has provided written notification of an increase in the amount of Compensation.

ARTICLE 5 DISPUTES

A dispute between the CHA and MOPD involving this Agreement that has not been resolved shall be referred to the Commissioner of MOPD (“Commissioner”) and the CHA’s Chief Executive Officer (“CEO”). Either party may give written notice of the dispute to both the Commissioner and the CEO, who shall meet within 30 days of notification to resolve the dispute. In the event the Commissioner and the CEO fail to resolve the dispute, each party may pursue its remedies at law, provided it does so within one (1) year of the date notification of the dispute is given.
