WHEREAS, the CHA and the Contractor desire to enter into the Agreement for the provision of internal audit and consulting services as set forth herein.

NOW THEREFORE, in consideration of the mutual promises, and the terms and conditions set forth herein, the CHA and the Contractor agree as follows:

ARTICLE 1. INCORPORATION OF RECITALS

Section 1.01 Incorporation of Recitals

The recitals set forth above are incorporated by reference as if fully set forth herein.

Section 1.02 Definitions

"Contract" means the contract entered into between the CHA and the Contractor. It includes the Agreement, the General Conditions for Non-Construction Contracts (HUD Form 5370-C), the Certifications and Representations of Offerors – Non-Construction Contracts (HUD Form 5369-C), the Contractor's Affidavit and any other exhibits which have been specifically incorporated by reference in the Agreement

ARTICLE 2. CONTRACTOR'S DUTIES AND RESPONSIBILITIES

Section 2.01 Services to be Performed

A. Scope of Work

The Services that the Contractor shall provide during the term of the Agreement shall include, but are not limited to, comprehensive internal audit and consulting services (hereinafter collectively referred to as the "Services").

B. Statement of Work

The Services to be performed by the Contractor during the term of the Agreement are more fully described in the Statement of Work set forth in Exhibit II, which is attached hereto and incorporated by reference herein.

C. Deliverables

In performing the Services, the Contractor shall prepare and/or provide the deliverables along with any other required documents, data, studies, reports, findings or information in any form prepared or assembled either in hard copy or on diskette (hereinafter, collectively, "Deliverables"). Contractor's work papers shall remain the exclusive property of the Contractor. The CHA reserves the right to reject Deliverables which in the reasonable judgment of the CHA do not adequately represent the intended level of completion or standard of performance, do not include relevant information or data or do not include all documents specified in this Agreement or reasonably necessary for the purposes for which the CHA made this Agreement with the Contractor. The CHA will notify the Contractor in writing of any deficiencies the CHA may identify involving a Deliverable. CHA shall accept Deliverables which substantially conform to the specifications in the Statement of Work. CHA will promptly give Contractor written notification of any nonconformance of the Deliverables with such requirements (Nonconformance) within thirty (30) days following delivery of such Deliverables, and Contractor shall have a reasonable period of time, based on the severity and complexity of the Nonconformance, to correct the Nonconformance so that the Deliverables substantially conform to the specifications. If CHA uses the Deliverable before acceptance or fails to promptly notify Contractor of any Nonconformance within such 30-day period, then the Deliverable shall be considered accepted by CHA.

Partial or incomplete Deliverables may be accepted for review only when required for a specific purpose and when consented to in advance by the CHA. Such Deliverables may not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables shall in no way relieve the Contractor of its commitments hereunder.

The Contractor shall also furnish, at the end of each month, a detailed report indicating the progress that was made on all pending projects and services for the month.

Section 2.02 Performance Standards

The Contractor shall perform all Services required under this Agreement with the degree of skill, care and diligence normally shown by an entity performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided under this Agreement.

Furthermore, the Contractor shall perform or cause to be performed all Services required by the Agreement in accordance with the terms and conditions of this Agreement, in accordance with any federal, state and local laws, statutes, applicable to this Agreement, and specifically all services shall be performed in accordance with the professional care standards required by the American Institute of Certified Public Accountants (“AICPA”) and the Institute of Internal Auditors’ Standards for the Professional Practice of Internal Auditing. The Contractor shall at all times act in the best interest of the CHA consistent with the professional obligations assumed by it in entering into this Agreement and will assure timely and satisfactory rendering and completion of its Services, including but not limited to Deliverables. The Contractor shall at all times use its best efforts on behalf of the CHA subject to the laws, regulation and professional standards applicable to the Services.

The Contractor must assure that all Services which require the exercise of professional skills or judgment must be accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor covenants with the CHA to furnish its best professional expertise and judgment in performing this Agreement. The Contractor shall at all times use its best efforts to assure quality, timeliness, efficiency and creativity in rendering and completing the Services. The Contractor agrees that performance of the Services in a satisfactory manner shall include prompt response to the CHA’s needs. Accordingly, the Contractor shall return all telephone calls and respond to all electronic mail on a timely basis, but in no event later than three (3) business days.

Section 2.03 Key Personnel

Chris Jeffrey, Partner, shall be responsible for supervising Contractor’s personnel and directing the Services to be performed during the term of the Agreement. The Contractor retains the right to substitute key personnel with reasonable cause by giving written notice to the CHA, provided that the CHA shall have the right to approve such staff changes and said approval shall not be unreasonably withheld.

Section 2.04 Non-Discrimination

Contractor shall comply with all federal, state and local non-discrimination laws, rules, regulations and ordinances including, but not limited to, The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. In addition, Contractor must furnish such reports and information as requested by the Chicago Commission on Human Relations.

Section 2.05 MBE/WBE/DBE Participation and Section 3 Requirements

Contractor agrees to comply with the CHA's minority, Women and Disadvantaged Business Enterprise ("MBE/WBE/DBE") requirements and the CHA's Section 3 requirements in accordance with the Contractor's MBE/WBE/DBE Utilization Plan and Section 3 Utilization Plan, which are attached hereto as Exhibit IV and incorporated by reference set forth herein, and otherwise comply with the CHA's MBE/WBE/DBE Policy (see http://www.thecha.org/pages/mbe_wbe_dbe/36.php or the copy included in the RFP and Section 3 Policy (see <http://www.thecha.org/pages/section3/65.php> or the copy included in the RFP) as may be required.

The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor's MBE/WBE/DBE and Section 3 requirements to the CHA via CHA's electronic system available at <https://cha.diversitycompliance.com/>. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.

Section 2.06 HUD's General Conditions for Non-Construction Contracts

HUD's General Conditions for Non-Construction Contracts (HUD form 5370-C (10/2006)) ("General Conditions"), are attached hereto as Exhibit V and incorporated by reference as if fully set forth herein. The Contractor agrees to fully comply with the General Conditions. In the event of a conflict between the terms and conditions of the General Conditions and the terms and conditions of the Agreement, the terms and conditions of the Agreement shall control.

Section 2.07 Ownership of Work Product, Documents, Records and Reports

- A. Contractor acknowledges that all Deliverables in any form including, but not limited to, reports, spreadsheets, data, data-bases, documentation, training materials, drawings, photographs, film and all negatives, software, tapes and the masters thereof, prototypes, and other material generated and assembled either in hard copy or on diskette, pursuant to the work contracted for by the CHA (hereinafter, "Work Product") will belong solely to the CHA and the Contractor will retain no rights therein. The Work Product is conclusively deemed by the parties as "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq. (hereinafter, "the Act"), and the CHA will be the copyright owner thereof and of all aspects, elements and components thereof in which copyright can subsist.

To the extent the Work Product does not qualify as "work made for hire," Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the CHA, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals therefor, and other intangible, intellectual property embodied in or pertaining to the Work contracted for under this Agreement, free and clear of all liens, claims or other encumbrances, to the fullest extent permitted by law. Contractor will execute assignments if requested by the CHA, without additional compensation. Contractor will document all work performed for the CHA and will turn copies of such documentation over to the CHA on completion of the Contractor's

services hereunder or earlier, if requested by the CHA. Contractor will make no use of the Work Product generated during the course of its work for the CHA during or after the term of this Agreement except to perform the work requested by the CHA.

To the extent the CHA is unable to effectively or economically use the Work Product without also using rights which are the subject of patent applications, patents, copyrights or other statutory protection owned by Contractor, Contractor grants to the CHA, a royalty- free, irrevocable, worldwide, nonexclusive license to make, have made, sell, use, reproduce, disclose, and publish such rights as necessary to fully utilize the Work Product.

In addition, Contractor agrees that it will not do anything contrary to the CHA's ownership in the Work Product or which might impair the value of such ownership. Contractor agrees to cooperate with the CHA in executing all documentation requested by the CHA to enable the CHA to perfect its right in and to the Work Product.

- B. All Work Product and CHA Documents provided to, or prepared or assembled by the Contractor in connection with the performance of the Contractor's Services under this Agreement shall be the property of the CHA.
- C. The Contractor shall deliver or cause to be delivered all Work Product and/or CHA Documents, including, but not limited to, all Deliverables prepared for the CHA under the Agreement, to the CHA promptly in accordance with the time limits prescribed in the Agreement, or if no time limit is specified, then upon reasonable demand thereof or upon termination or completion of the Contractor's Services or expiration of the Agreement hereunder. In the event of the failure by Contractor to make such delivery, then and in that event, the Contractor shall pay to the CHA any damages the CHA may sustain by reason thereof. The Contractor shall maintain all CHA Documents not previously delivered to the CHA for a period of three (3) years after final payment made in connection with the Agreement. Notwithstanding anything else herein to the contrary, Contractor may retain a copy of information received, developed or otherwise relating to this Agreement including CHA Documents and Work Product in order to comply with its contractual obligations and applicable professional standards.

Notwithstanding any other provision herein, the Contractor retains all ownership rights in any proprietary methodologies, methods, processes, or procedures of the Contractor that pre-exist or were developed outside the scope of this Agreement. If any such property of Contractor is contained in any of the deliverables hereunder, the Contractor grants to CHA a royalty-free, paid-up, non-exclusive, perpetual license to use such Contractor intellectual property in connection with CHA's use of the Deliverables. For clarity, such pre-existing rights shall include "Contractor's Knowledge" which means Contractor's proprietary programs, modules, products, inventions, designs, data, or other information, including all copyright, patent, trademark and other intellectual property rights related thereto, that are (1) owned or developed by Contractor prior to the Effective Date of this Agreement ("Contractor's Preexisting Knowledge") (2) developed or obtained by Contractor after the Effective Date, that are reusable from client to client and project to project, where CHA has not paid for such development; and (3) extensions, enhancements, or modifications of Contractor's Preexisting Knowledge which do not include or incorporate CHA's confidential information.

The Contractor shall maintain its books, records, documents, and other materials related to the performance of the Agreement for a period of three (3) years following the expiration or

termination of the Agreement and after final payment has been made and all other pending matters are closed, and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred or anticipated to be incurred for or in connection with the performance of the Contractor's Services under the Agreement. The Contractor shall maintain its accounting system, books and records in a manner that complies with generally accepted accounting principles ("GAAP"), consistently applied throughout.

- D. The provisions of Section 2.07 shall survive the expiration or termination of the Agreement.
- E. The Contractor shall flow down the provisions of this Section 2.07 titled "Ownership of Work Product, Documents, Records and Reports" to its subcontractors at every tier.

Section 2.08 Audit Requirement

The CHA retains an irrevocable right to independently or, through a third party, audit the Contractor's books and records pertaining to invoicing and payment under this Agreement and its performance and disallow any inappropriate billings upon written notice to the Contractor. In the event of a disallowance, the Contractor shall refund the amount disallowed to the CHA. Contractor shall keep books, document, papers, records and accounts in connection with the Services to be performed hereunder, open to an independent audit to be conducted by the CHA, HUD, the Comptroller General of the United States or their duly authorized representative to allow inspection, copying, abstracting, auditing and transcription of the materials.

Section 2.09 Confidentiality

The Contractor agrees that all Deliverables, reports, documents or other information prepared or assembled by, or received or encountered by the Contractor, its employees, agents and subcontractors pursuant to this Agreement are to remain confidential ("Confidential Information"). Further, the Contractor agrees that such Confidential Information shall not be made available to any individual or organization other than the CHA, HUD or courts of competent jurisdiction or administrative agencies pursuant to a subpoena without the prior written approval of the CHA. In the event the Contractor is presented with a *subpoena* regarding such Confidential Information, which may be in the Contractor's possession by reason of this Agreement, the Contractor must immediately give notice to the CHA's Chief Executive Officer and General Counsel with the understanding that the CHA will have the opportunity to contest such process by any means available to it before the Confidential Information is submitted to a court or other third party. The Contractor, however, is not obligated to withhold the delivery of such Confidential Information beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

Section 2.10 Subcontracts and Assignments

Unless otherwise provided for herein, the Contractor shall not subcontract, assign otherwise delegate or otherwise transfer all or any part of its obligations under this Agreement or any part hereof without the prior written approval of the CHA. The absence of such prior written approval shall void the attempted subcontracting, assignment, delegation or transfer and shall have no legal effect on the Services or this Agreement.

The Contractor shall not transfer or assign, in whole or in part, any funds or claims due or

which may become due under this Agreement without the prior written approval of the CHA. Any attempted transfer or assignments of any contract funds, either in whole or in part, or any interest therein, which shall be due or to become due to the Contractor, without the prior written approval of CHA shall be void and of no legal effect. The CHA expressly reserves the right to assign or otherwise transfer all or any part of its rights or interests hereunder.

Section 2.11 Patents and Copyrights

The CHA reserves an exclusive, perpetual and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for CHA or HUD purposes, including, but not limited to, commercial exploitation: (a) the copyright or patent in any work developed or discovered in the performance of the Services under this Agreement, and (b) any rights of copyright or patent of which the Contractor purchases ownership with funds awarded pursuant to this Agreement for the purpose of meeting the objectives of this Agreement.

Section 2.12 Religious Activities

In connection with the Services to be provided under this Agreement, the Contractor agrees:

A. That it shall not discriminate against any person on the basis of religion and shall not limit employment or give preference in employment to persons on the basis of religion; and

B. That it shall not discriminate when rendering the Services hereunder against any person on the basis of religion and shall not limit such Services or give preference to persons on the basis of religion.

Section 2.13 Drug-Free Workplace

The Contractor shall establish procedures and policies to promote a "Drug-Free Workplace." Further, the Contractor shall notify all employees of its policy for maintaining a "Drug-Free Workplace," and the penalties that may be imposed for drug abuse violations occurring in the workplace. Further, the Contractor shall notify the CHA if any of its employees are convicted of a criminal drug offense in the workplace no later than ten (10) days after such conviction.

Section 2.14 Force Majeure

Notwithstanding any other provision in this Agreement, the Contractor shall not be liable or held responsible for any failure to perform or for delays in performing its obligation under the Agreement, including but not limited to, the scope of services set forth hereunder which result from circumstance or causes beyond Contractor's reasonable control, including without limitation, fire or casualty, acts of God, strikes or labor disputes, war or violence, or any lay, order or requirement of any government agency or authority.

Section 2.15 CHA Inspector General

It is the duty of the Contractor and its subcontractors to cooperate with the CHA Inspector General in any investigation or hearing undertaken. All of the Contractor's subcontracts must include this provision and require agreement and compliance with the same.

Section 2.16 Compliance with CHA Policies

The Contractor shall comply with the following CHA policies collectively attached and incorporated herein as Appendix A to this Agreement:

- Ethics Policy
- Local Transportation & Mileage Reimbursement Policy
- CHA Travel Guidelines
- General Business Expense Policy

ARTICLE 3. TERM OF AGREEMENT

Section 3.01 Term of Agreement

The initial term of this Agreement is for a two-year (2) period, effective from June 1, 2021 through May 31, 2023 (the “Base Term”) or until the Agreement is terminated in accordance with its terms, whichever occurs first.

Section 3.02 Contract Extension Options

The CHA, at its sole discretion, may extend this Agreement for up to three (3) additional one-year (1) option periods effective from the expiration of the then-current term of the Agreement. Any extension shall be under the same terms and conditions as this original Agreement, except as may be subject to change in accordance with the Option Term Hourly Rates set forth in Exhibit VI for such extension term(s). Any extension notice to be provided by CHA to Contractor to exercise an option reserved herein shall set forth the extension period. The Agreement shall be modified in writing to reflect the time extension in accordance with the provisions of Section 9.03 of this Agreement.

Section 3.03 Timeliness of Performance

The Contractor shall use its best efforts to provide the Services and Deliverables within the time limits required under this Agreement, or from time to time as otherwise required by the CHA. The Contractor and the CHA acknowledge that deadlines for certain Services provided for in this Agreement may be dictated by the requirements of agencies or events outside the control of the CHA and the Contractor, and the failure by the Contractor to meet deadlines may result in economic or other significant losses to the CHA. Therefore, except to the extent that the Contractor’s inability to meet its deadlines is caused by the delay due to the CHA, by acts of God or other events outside the control of the Contractor, TIME IS OF THE ESSENCE, so that failure to perform in a timely manner shall be considered a material breach of the Agreement. Notwithstanding the foregoing, in the event that a material delay in performance is the direct result of a cause by the CHA, the parties jointly agree to formally propose and negotiate an agreeable modification or extension of time for performance, which shall be memorialized in a jointly executed writing between the parties to be effective.

ARTICLE 4. COMPENSATION AND PAYMENT

Section 4.01 Rates and Total Compensation

The CHA shall pay the Contractor for the satisfactory performance of the Services on a firm-fixed rate basis in accordance with the hourly rate schedule contained in the Contractor's Best and Final Fee Proposal Form dated _____, which is attached hereto as Exhibit VI and incorporated herein by reference. The CHA shall pay the Contractor an amount not to exceed Seven Hundred Forty Thousand and 00/100 Dollars (\$740,000.00) for the full and complete performance of Services during the Base Term of the Agreement. The Contractor agrees not to perform, and waives any and all claims for payment of work, materials, expenses, resources or other claims which would result in billings beyond this amount. It is mutually understood and agreed by the parties that the above agreed upon compensation amount, which includes all reimbursable expenses (if any), is the only compensation provided for in this Agreement and there will be no additional, costs, fees or other type of profit allowable or paid under this Agreement without an express written amendment to the Agreement authorizing said additional work or expenses. The Contractor acknowledges an affirmative duty to monitor its performance and billings to ensure that the scope of work is completed within the previously agreed compensation amount.

Section 4.02 Billing and Payment

The Contractor shall submit an invoice within ten (10) business days after the end of each month during the term of this Agreement. Each invoice shall contain back-up information as required by the CHA, including but not limited to, a detailed description of the services provided and the number of hours spent by each person performing the Services to the nearest tenth of an hour along with the applicable hourly rate during the invoice period, The CHA shall not be required to give approval or make payments pursuant to a submitted invoice unless the information required to be included with the invoice, or that has been specifically requested by the CHA, and all the reporting requirements and Deliverables as set forth in this Agreement, or other reasonable and written requests by CHA for additional information, have been met.

CHA will make best reasonable efforts to make payment for services rendered under this Agreement within thirty (30) days after receipt and approval of each invoice submitted. All invoices shall be subject to review and approval by the CHA. If the CHA objects to all or any portion of any invoice, it shall notify the Contractor of its objection in writing and both parties shall make every effort to settle the disputed portion of the invoice. Notwithstanding the foregoing, the CHA may, at its option, pay the undisputed portion of any invoice without being deemed to have accepted the disputed portion. All disputes regarding invoices shall be handled in accordance with the Paragraph No. 7 of the General Conditions.

Section 4.03 Non-Appropriation

Funding for this Agreement is subject to: (1) availability of federal funds from HUD, (2) the approval of funding by the CHA's Board of Commissioners, and (3) the Contractor's satisfactory performance of this Agreement. Furthermore, in the event that no funds or insufficient funds are appropriated and budgeted or appropriated funds are rescinded by Congress in any fiscal period of the term of this Agreement for payments to be made under this Agreement, then the CHA may notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds

appropriated for payment under this Agreement are exhausted.

ARTICLE 5. DISPUTES

Section 5.01 Disputes

In the event of a dispute between the CHA and the Contractor involving this Agreement, both parties will attempt to negotiate a resolution. If the parties cannot resolve the dispute through negotiation, either party shall, unless otherwise set forth herein, submit the dispute in writing to CHA's Director of Procurement and Contracts, who shall, with reasonable promptness, render a decision concerning the dispute submitted. Unless the Auditor within thirty (30) days after receipt of the decision shall notify the Director of Procurement and Contracts in writing that it takes exception to the decision, the decision of the Director shall be final and binding. Provided the Auditor has given written notice within the time stated and has brought suit against the CHA not later than one year after the Auditor has received notice of the decision of the Director then the decision of the Director shall not be final and the dispute shall be determined on the merits by a court of competent jurisdiction.

ARTICLE 6. RISK MANAGEMENT

Section 6.01 Insurance

The Contractor agrees to comply with and meet or exceed all of CHA's insurance requirements that are set forth in Exhibit VII, which is attached hereto and incorporated by reference herein as if fully set forth herein.

Section 6.02 Indemnification

The Contractor agrees to protect, defend, indemnify, keep save, and hold the CHA, its officers, officials, employees and agents free and harmless from and against any and all liabilities, losses, penalties, damages, settlements, environmental liability, costs, charges, professional fees or other expenses or liabilities of every kind, nature and character brought by a third party arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action of every kind, nature and character for bodily injury, illness or death to individuals and physical damage to real or tangible personal property and for the Contractor's failure to comply with applicable laws (collectively, "Claims") in connection with or arising directly or indirectly out of the grossly negligent acts and omissions of the Contractor, its agents, employees, and subcontractors, including but not limited to, the enforcement of this indemnification provision. Without limiting the foregoing, any and all such Claims, relating to personal injury, death, damage to property, defects in material or workmanship, actual or alleged infringement of any patent, trademark, copyright or any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. The Contractor further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims at its sole expense and agrees to bear all the costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent.

To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Workers Compensation Act or any other law or

judicial decision (specifically Kotecki v. Cyclops Welding Corporation, 146 Ill.2d 155 (1991)).

The CHA shall have the right, at CHA's expense, to participate in the defense of any suit, without relieving the Contractor of any of its obligations under this indemnity provision. The Contractor expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the CHA free and harmless are separate from and not limited by the Contractor's responsibility to obtain, procure and maintain insurance pursuant to any other section of this Agreement. Further, the indemnities contained in this section shall survive the expiration or termination of this Agreement.

Notwithstanding the foregoing, CHA hereby releases Contractor, its subsidiaries and their present or former partners, principals, employees, officers and agents from, and acknowledges that such parties shall not be required to indemnify CHA against, any costs, fees, expenses, damages and liabilities (including attorneys' fees and all defense costs) to the extent that such damages and liabilities relate to or arise as a direct and proximate result of the acts or omissions of CHA.

To the extent allowed under applicable law, the aggregate liability (including attorney's fees and all other costs) of either party and its present or former partners, principals, agents or employees to the other party related to the services performed under this Agreement shall not exceed the fees payable to Contractor under this Agreement, except to the extent finally determined to have resulted from the gross negligence, willful misconduct or fraudulent behavior of the at-fault party. Additionally, in no event shall either party be liable for any lost profits, lost business opportunity, consequential, special, incidental, exemplary or punitive damages, delays or interruptions arising out of or related to this Agreement even if the other party has been advised of the possibility of such damages.
