Section 2.11 Religious Activities

In connection with the Services to be provided under this Agreement, the Contractor agrees that it shall not (i) discriminate against any person on the basis of religion or limit employment or give preference in employment to persons on the basis of religion; or (ii) discriminate when providing the Services hereunder against any person on the basis of religion or limit such Services or give preference to persons on the basis of religion.

Section 2.12 Drug-Free Workplace

ARTICLE 3. TERM OF AGREEMENT

Section 3.01 Term of Agreement

This Agreement shall commence on the Effective Date and shall continue for a period of two (2) years from the Effective Date (the "**Base Term**") or until this Agreement is terminated in accordance with its terms, whichever occurs first. The CHA shall have the option of extending the term of this Agreement on the same prevailing terms and conditions provided herein by three

(3) additional one-year option terms (each an “**Option Year**”), subject only to any applicable pricing changes set forth in the accepted Proposal for such Option Year(s) exercised by the CHA in its sole discretion.

Section 3.02 Timeliness of Performance

The Contractor shall provide the Services in a timely manner and as required under this Agreement. The Contractor and the CHA acknowledge that deadlines for certain Services provided for in this Agreement are dictated by the requirements of agencies or events outside the control of the CHA and the Contractor, and the failure by the Contractor to meet deadlines will significantly affect the CHA. In those and all other circumstances concerning the Contractor’s obligations under this Agreement, Time Is Of The Essence.

ARTICLE 4. COMPENSATION AND PAYMENT

Section 4.01 Compensation

The firm, fixed rates for Services for the two (2) year Base Term and the three (3) Option Year terms are as set forth in the Contractor’s Best and Final Fee Proposal, which is attached hereto as Exhibit IV and incorporated into and made a part of this Agreement by this reference. The total compensation available to be paid to the Contractor for the satisfactory (as the CHA shall determine in the CHA’s sole discretion) provision of the Services shall be a sum-not-to-exceed Four Million Five Hundred Forty Thousand Seven Hundred Fifty One and 00/100 Dollars (\$4,540,751.00) for the Base Term. The Contractor waives any and all claims for payment of Services beyond this amount without prior written amendment to this Agreement authorizing same. The Contractor recognizes and agrees it has an affirmative duty to monitor its performance and billings to ensure that the Services for the Base Term and any Option Year(s) are completed within the maximum amounts available for payment under such Base Term and Option Year(s), respectively.

Section 4.02 Payment; Retention

A. (1) The Contractor shall submit to the CHA’s Property and Asset Management Department and Accounts Payable Department, on a semimonthly basis, a detailed invoice requesting payment for those Services which the Contractor performed and submitted during the (maximum thirty (30) day, pursuant to Section 4.02(A)(3)) period accounted for in the respective invoice. Each invoice shall set forth in detail the Services performed for the CHA’s approval during such period, including but not limited to any or all of the following:

- (i) relevant timesheets which will serve as evidence of the provision of the Services for which Contractor is seeking payment from the CHA;
- (ii) written certifications by the Contractor, the form of which may be provided to the Contractor by the CHA. The certifications shall be made under oath and attest to the truthfulness and accuracy of all of the information contained on the invoices including, without limitation, the total hours worked by each security officer and supervisor as listed on such invoices; and

- (iii) if and as requested by the CHA, (a) copies of all canceled payroll checks and related payroll stubs (or equivalent payroll documentation) of the Contractor for payments made to the Contractor's compensation for Services within fifteen (15) days after receiving such canceled checks or bank statement evidencing such canceled checks; and (b) such other supporting documents and additional information (including but not limited to evidence or documentation required by any other governmental authority not already provided for herein) as the CHA may request in writing in order for the CHA to approve or disapprove, in whole or in part, any and/or all invoice(s).

(2) If the Contractor fails to submit any required documentation and materials with an invoice, the CHA shall not be required to pay the Contractor any amounts under such invoice until such required documentation and materials are submitted, and all time periods under this Agreement for payment of such invoice shall not begin to run until such required documentation and materials are submitted. The CHA's Assistant Director, Facilities Management Department or his/her designee(s) shall review and approve or disapprove, in whole or in part, such invoice(s) as set forth in Section 4.02(B).

(3) Each invoice to be submitted pursuant to this Section 4.02 may only include and invoice Services that were provided no later than thirty (30) days prior to the date of delivery of each such respective invoice to the CHA and shall follow the invoice procedures attached hereto as Exhibit V and incorporated into and made a part of this Agreement by this reference. Accordingly, the Contractor may not be paid for any Services not invoiced to the CHA within thirty (30) days after such Services' provision.

B. (1) Subject to Section 7.02, within fifteen (15) days (or thirty (30) days if Section 4.02(B)(4) applies) after receiving an invoice (with supporting documentation) from the Contractor, the CHA will use its commercially reasonable efforts to pay the Contractor ninety percent (90%) of the total amount requested for payment to the Contractor in such invoice and approved by the CHA (the "**Initial Payment**" of the "**Stated Amount Payable**"). The remaining ten percent (10%) of the Stated Amount Payable on such invoice will be retained by the CHA until the CHA has completed its review of the truth and accuracy of such invoice (the "**Retention**"), including, without limitation, conducting all CHA Audits which the CHA (in the CHA's sole discretion) deems necessary in order to determine whether to approve payment of the Retention as described in Section 4.02(B)(2).

(2) The CHA shall have up to thirty (30) days after payment of the Initial Payment to:

- (i) review the truth and accuracy of each invoice under and for which such Initial Payment was made, without prejudice to the CHA's right to perform further CHA Audits pursuant to pursuant to the second paragraph of Section 2.07;
- (ii) determine whether the Stated Amount Payable set forth on the invoice is greater than the amount that the CHA determines to be valid and correct (such difference, the "**Incorrect Billing**"); and
- (iii) subject to Section 7.02, determine which of the following amounts of the Retention to pay the Contractor:

- (a) Payment in Full of Retention. If the CHA determines that the invoice in question is true and correct in all respects, and the CHA has determined that there are no Incorrect Billings, infraction deductions (as described more fully in Section 7.02(B)) or then-ascertained (as determined by the CHA in the CHA's reasonable discretion) damages owed the CHA (the "**then-ascertained damages**"), then the CHA will use its commercially reasonable efforts to pay the Contractor the full amount of the Retention.
- (b) Payment by the CHA of Portion of Retention. If the CHA determines that the Incorrect Billing, if any, plus the amount of any infraction deduction owed the CHA pursuant to Section 7.02(B) and then-ascertained damages, is less than or equal to the Retention, then the CHA shall pay the Contractor the difference, if any, between (i) the Retention Amount minus (ii) the sum of (A) the Incorrect Billing plus (B) the amount of any infraction deduction owed the CHA pursuant to Section 7.02(B) and then-ascertained damages (the "**Proper Balance Due**").
- (c) Retention by the CHA of Full Amount of Retention. If the CHA determines that the Incorrect Billing, if any, plus the amount of any infraction deduction owed the CHA pursuant to Section 7.02(B) and then-ascertained damages, is greater than the Retention, then the CHA shall retain the full amount of the Retention.

(3) The "**Carryover Deduction**" shall mean the difference, if any, between (i) the sum of (A) an Incorrect Billing plus (B) the amount of any infraction deduction owed the CHA pursuant to Section 7.02(B) and then-ascertained damages, minus (ii) its applicable Retention. To the extent a Carryover Deduction occurs on any invoice, the CHA shall deduct the Carryover Deduction from the Stated Amount Payable of the next succeeding invoice furnished to the CHA by the Contractor, thereby reducing the Stated Amount Payable of such next succeeding invoice by the amount of the Carryover Deduction. If the Carryover Deduction is greater than the Stated Amount Payable of the next succeeding invoice, the CHA shall owe nothing to the Contractor for such next succeeding invoice, and shall continue to deduct any remaining Carryover Deduction from the Stated Amount Payable of succeeding invoices until the full amount of the Incorrect Billing paid to Contractor has been reimbursed in full to the CHA.

(4) Notwithstanding Sections 4.02(B)(1-2), if any portion of the Contract Price is being paid in whole or in part from the proceeds of any federal grant or loan with the CHA, the CHA shall have up to thirty (30) days from the date of receipt of an accurate and certified invoice from the Contractor to use its commercially reasonable efforts to pay the Initial Payment due on such invoice, and up to thirty (30) days from the payment of the Initial Payment to determine whether to pay any portion of the Retention associated with same.

Section 4.03 Non-Appropriation

Funding for this Agreement is subject to (to the extent applicable) (i) the availability and/or actual receipt of federal funds from HUD, (ii) the approval of funding by the CHA's Board of Commissioners, and (iii) the Contractor's satisfactory performance of its obligations under this Agreement. Furthermore, if no funds or insufficient funds are appropriated or budgeted, or if Congress rescinds appropriated funds, in any fiscal period during the term of this Agreement, then the CHA may notify the Contractor of any such occurrence and this Agreement

shall terminate on the earlier of (a) the last day of the fiscal period under the Agreement's term for which sufficient appropriation is made or (b) whenever the funds appropriated for payment under this Agreement are exhausted, and the CHA shall not be liable for any amount over or above such amount.

Section 4.04 Contractor's Equipment and Property

Any equipment/software provided by Contractor, and information gathered therewith, in connection with Contractor's services is for Contractor's use and will always be Contractor property. Contractor is not selling or leasing any of the equipment/software to CHA, and Contractor will remove its equipment/software upon termination of the Agreement.

ARTICLE 5. DISPUTES

Section 5.01 Disputes

In the event of a dispute between the CHA and the Contractor involving this Agreement, both parties shall attempt to negotiate a resolution. If the parties cannot resolve the dispute through negotiation, either party shall, unless otherwise set forth herein, submit the dispute in writing to the CHA's Director of Procurements & Contracts who shall render a decision concerning the dispute submitted. Unless the Contractor, within thirty (30) days after receipt of the decision, shall notify the CHA's Director of Procurements & Contracts in writing (at the address and by the means specified in Section 10.02) that it takes exception to the decision, the decision of the Director of Procurements & Contracts shall be final and binding. Provided the Contractor has given written notice within the time stated and has brought suit against the CHA not later than one (1) year after the Contractor has received notice of the decision of the Director of Procurements & Contracts then the decision of the Director of Procurements of Contracts shall not be final and the dispute shall be determined on the merits by a court of competent jurisdiction.

The Certificate of Insurance evidencing the required coverage shall be in force on the Effective Date of the Contract and continuously throughout the duration. The required documentation must be received prior to the commencement of work under this Agreement. Additional insureds will only be covered by Contractor's insurance for liability assumed by Contractor in this Agreement, subject to the terms of Contractor's insurance. Additional Insured status shall apply to all liability policies, with the exception of Professional Liability and Workers' Compensation. It is understood and agreed to by the parties hereto that Chicago Housing Authority, and others listed below shall be included as additional insureds on the general and auto liability policies and such insurance is primary to and will not seek contribution from any insurance, deductibles, self-insured retentions and/or self-insured programs held by Chicago Housing Authority.

Certificate Holder: Chicago Housing Authority
60 E Van Buren
Chicago, IL 60605

Additional Insureds: Collectively referred to as the “Additional Insureds” shall include Chicago Housing Authority, Chicago Housing Administration, LLC; and/or other Limited Liability Company as established by CHA; its respective commissioners, board members, officers, directors, agents, property management firms, construction management firms, agents, employees, vendors, invitees and visitors.

Primary Coverage: For any claims related to this Agreement, the Contractor’s insurance coverage shall be the primary policy. The Contractor expressly understands and agrees that any insurance or self-insurance programs maintained by the CHA shall apply in excess of and shall not contribute with insurance provided by the Contractor.

Renewal Certificates of Insurance shall be received by the Procurement and Contracts Department prior to expiration or renewal date occurring during the term of this Agreement or extensions thereof. At the CHA’s option, non-compliance will result in (1) all payments due the Contractor being withheld until the Contractor has complied with the Agreement; or (2) the Contractor will be assessed Five Hundred Dollars (\$500.00) for every day of non-compliance; or (3) the Contractor will be immediately removed from the premises and the Agreement will be terminated for default. The receipt of any certificates does not constitute agreement by the CHA that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate comply with all Agreement requirements. The insurance policies shall provide for thirty (30) days prior written notice to be given to the CHA in the event coverage is substantially changed, canceled or non-renewed.

The Authority in no way warrants or represents that the minimum limits contained herein are sufficient to protect the Authority from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, Consultants, or Subcontractors. The Contractor shall assess its own risks and, if it deems appropriate and/or prudent, maintain higher limits and/or broader coverages. The Contractor is not relieved of any liability or other obligations assumed or pursuant to the contract by reason of its failure to obtain or maintain sufficient insurance. The Contractor shall require all subcontractors to carry the insurance required herein or the Contractor may provide the coverage for any or all of its subcontractors, and if so, the evidence of insurance submitted shall so stipulate and adhere to the same requirements and conditions as outlined above.

If any of the required insurance is underwritten on a claims made basis, the retroactive date shall be prior to or coincident with the date of this Agreement and the Certificate of Insurance shall state the coverage is “claims made” and also the retroactive date. The Contractor shall maintain coverage for the entire term of this Agreement. Any extended reporting period premium (tail coverage) shall be paid by the Contractor. It is further agreed that the Contractor shall provide the CHA thirty (30) days notice in the event of the occurrence of any of the following conditions: aggregate erosion in advance of the retroactive date, cancellation and/or non renewal.

The Contractor shall advise all insurers of this Agreement’s provisions regarding insurance and the term under which such insurance is required. The Contractor’s failure to notify insurers of such provisions shall not relieve the Contractor from its insurance obligations under this Agreement. Non-fulfillment of any of such insurance provisions and obligations shall constitute an event of default and be deemed a part of and subject to Article 7.

The Contractor shall require all subcontractors to carry the insurance required herein or the Contractor may provide the coverage for any or all of its subcontractors, and if so, the evidence of insurance submitted shall so stipulate and adhere to the same requirements and conditions as outlined in this Section 6.01. Evidence of such coverage must be submitted to the CHA.

The Contractor expressly understands and agrees that any insurance or self-insurance programs maintained by the CHA shall apply in excess of and will not contribute with insurance provided by the Contractor under this Agreement.

Section 6.02 Indemnification

The Contractor agrees to protect, defend, indemnify, keep, save, and hold the CHA, its officers, officials, employees and agents and contractors free and harmless from and against any and all liabilities, losses, penalties, damages, settlements, environmental liability, costs, charges, professional fees or other expenses or liabilities of every kind, nature and character (including those relating to personal injury, death, damage to property, defects in material or workmanship, actual or alleged infringement of any patent, trademark, copyright or any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, order, rule or regulation, or decree of any court) arising out of or relating to any and all claims, losses, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action of every kind, nature and character (collectively, “**Claims**”) in connection with or arising directly or indirectly out of this Agreement and/or the acts and omissions of the Contractor or any of the Employees, including but not limited to the enforcement of this indemnification provision, to the extent any such Claim is caused by the negligence, gross negligence, willful misconduct or other fault of Contractor.

The CHA shall have the right, at its option, to participate in the defense of any suit, without relieving the Contractor of any of its obligations under this Section. The Contractor expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the CHA free and harmless are separate from and not limited by the Contractor’s responsibility to obtain, procure and maintain insurance pursuant to any other Section of this Agreement. Further, the indemnities contained in this Section shall survive the expiration or termination of this Agreement for any reason.

ARTICLE 7. EVENTS OF DEFAULT, REMEDIES, ETC.

Section 7.01 Events of Default Defined

Each of the following shall constitute an event of default:

- (i) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by the Contractor to the CHA;
- (ii) the Contractor’s failure to perform any of its obligations under this Agreement including but not limited to the following:
 - (A) inability to provide the Services in accordance with this Agreement’s standards or as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

- (B) failure to comply with any material term of this Agreement, including but not limited to the provisions concerning compliance with HUD regulations, insurance and nondiscrimination; and
 - (C) failure to promptly re-perform and/or provide, as applicable, Services that are erroneous or unsatisfactory to the CHA;
- (iii) any change in majority ownership or majority control of the Contractor without the prior written approval of the CHA, which written approval shall not be unreasonably withheld; and
- (iv) the Contractor's default under any other agreement it may presently have or may enter into with the CHA during this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the CHA may also declare a default under any such other agreements.

Section 7.02 Remedies

A. If an event of default occurs which the Contractor fails to cure within thirty (30) calendar days after receipt of written notice given in accordance with the terms of this Agreement and specifying the event of default, or if such event of default cannot be reasonably cured within thirty (30) calendar days after such a notice, or if the Contractor has failed to commence and continue diligent efforts to cure such event of default within thirty (30) days after such notice, the CHA may, at its sole option, declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the CHA and neither that decision nor the factual basis for it is subject to review or challenge under Article 5. Written notification of the default shall be provided to the Contractor pursuant to Article 10. Upon the giving of such notice, the CHA may invoke and shall be entitled to any or all of the following remedies:

- (i) terminating this Agreement or this Agreement as to any or all of the Services yet to be provided effective at a time specified by the CHA;
- (ii) pursuing any and all remedies, legal and/or equitable, available to the CHA;
- (iii) to the extent not already withheld or set off in accordance with Section 4.02(B) and Section 7.02(C), which the CHA shall have the right to retain or otherwise set off pursuant to the terms of such Section, withholding and applying or setting off all or any part of the Contractor's compensation hereunder with respect to and against Services not completed or provided in accordance with the terms hereof and against any damages or liability of the Contractor resulting from same;
- (iv) deeming the Contractor non-responsive in future contracts to be awarded by the CHA; and
- (v) taking over and completing all or any of the Services or any party thereof as agent for and at the cost of the Contractor, either directly or through others.

If the CHA so desires, the CHA may elect not to declare default or to terminate this

Agreement hereunder. The parties acknowledge that this provision is solely for the benefit of the CHA and that if the CHA permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement, nor shall the CHA waive or relinquish any of its rights.

B. The Contractor and the CHA understand that breaches and Incorrect Billings by the Contractor may occur and agree that each of same would significantly harm the CHA. Accordingly, in order to adequately compensate the CHA for certain breaches and Incorrect Billings by the Contractor, the Contractor and the CHA agree that the CHA shall be entitled to correct any Incorrect Billing and, where appropriate, take an “**infraction deduction**” from the Stated Amount Payable on (an) Invoice(s) received by the CHA in accordance with the Infraction List attached hereto as Exhibit VI incorporated into and made a part of this Agreement by this reference. Such infraction deduction shall be in addition to any other remedies provided under this Agreement, including but not limited to the CHA’s right to terminate this Agreement pursuant to Section 7.02(A)(i). Billing corrections and infraction deductions imposed on the Contractor pursuant to this Section 7.02(B) shall be applied in accordance with Section 4.02(B) and Exhibit VI.

C. If the Contractor or any of its Employees fails to report any reportable event under any Security Report (as such capitalized term is defined in Section B(5)(a) of Exhibit III) it may be required to prepare under the Services, then in addition to any other remedies available to the CHA under this Agreement, the CHA may deduct any damages or other costs incurred by the CHA as a direct result of any such reportable event from the Stated Amount Payable on (an) Invoice(s) received by the CHA. In the event the CHA does not receive any additional Invoices from the Contractor after the CHA’s discovery of the Contractor’s failure to report reportable events to the CHA as required by this Agreement, the Contractor shall be obligated to immediately reimburse the CHA for such damages or costs, including but not limited to any and all attorney fees and court costs incurred in connection therewith. The Contractor shall be liable for any damages or other costs incurred by the CHA as a result of reportable events resulting or arising from the intentional wrongdoing or negligent act or omission of any security officer, supervisor or other Employee, including but not limited to any and all attorneys’ fees and court costs incurred in connection therewith.

D. The CHA’s remedies enumerated under this Agreement are not intended to be exclusive of any other remedies available to it, but each and every such remedy shall be cumulative and shall be in addition to any other remedies existing now or hereafter at law, in equity or by statute. No delay or failure on the part of the CHA to exercise any right or power accruing upon any event of default or acquiescence therein shall be construed as a waiver, and the CHA may exercise every such right and power from time to time and as often as the CHA may in its sole discretion deem expedient.

Section 7.03 Termination for Convenience

The CHA may terminate for convenience this Agreement, or all or any portion of the Services to be provided under it, at any time by written notice from the CHA to the Contractor when the CHA in the CHA’s sole discretion deems this Agreement or any of the Services to be no longer in the CHA’s best interests. If the CHA elects to terminate this Agreement in full, all Services to be provided hereunder shall cease effective (i) ten (10) days after the Contractor’s date

of receipt of the CHA's written notice or (ii) on such termination date as the CHA may have set forth in its written notice, whichever is later. The Contractor shall continue to provide the Services until the effective date of termination. No cost incurred by the Contractor after the effective date of termination shall be allowed. Subject to performance within the requisite standards of this Agreement and the results of any audits conducted pursuant to Sections 2.06(B) and 2.07, the CHA shall pay to the Contractor, on a pro-rata basis, fees incurred for Services provided through the date of termination. If a court of competent jurisdiction determines that an election by the CHA to terminate this Agreement for default pursuant to Section 7.02 is wrongful, then such termination shall at the CHA's sole option be deemed to be a termination for convenience pursuant to this Section. This Section is not subject to Article 5.

Section 7.04 Suspension/Notice

The CHA may at any time request that the Contractor suspend its Services or any part thereof by giving ten (10) days prior written notice to the Contractor or upon no notice in the event of an emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its provision of such Services under the terms and conditions of this Agreement upon written notice by the CHA's Director of Procurements & Contracts.

In the event that Contractor experiences a material change fully beyond its direct control in its ability to maintain full staffing levels of armed and/or unarmed security positions established in the Staffing Plan for the Contractor's complete portfolio of service locations (including, without limitation, economic, market, and employment conditions), the Contractor shall provide CHA with a formal written notice (pursuant to Article 10) of its request to modify or otherwise alter its manpower and staffing levels under the Agreement's Staffing Plan. Upon receipt of such notice by CHA, the parties will discuss in good faith Contractor's request and endeavor to reach a mutually acceptable resolution within Ninety (90) days. (As a matter of clarity, the parties understand and agree that Contractor may staff armed security positions with unarmed guards in the event of delays in processing state/federal licensing or certifications for the use of firearms.) Without limiting or waiving its rights or remedies under the Agreement (which are expressly reserved), the CHA agrees to consider Contractor's request in good faith and may elect to enter into a modification, suspension or termination by agreement with the Contractor, which agreement may include, without limitation or waiver of rights, the parties' joint negotiation of a resolution, modification, transition plan and/or termination of the Agreement, including any wind down or similar efforts to transition the affected service location(s) to a replacement vendor.

Section 7.05 No Damages for Delay

The Contractor agrees that it shall make no claims against the CHA for damages, charges, interest, additional costs or fees incurred by reason of delays or suspension of work caused by the CHA in the performance of the CHA's obligations under this Agreement. The Contractor's sole and exclusive remedy for delays or suspension of work caused by the CHA is an extension of time equal to the duration of delay or suspension to allow the Contractor to perform its obligation under this Agreement.

**ARTICLE 8. WARRANTIES, REPRESENTATIONS AND SPECIAL

Section 8.01 Warranties, Representations and Covenants

- (xiii) that the Contractor acknowledges that the CHA, in its selection of the Contractor to provide the Services, materially relied upon the Contractor's Proposal, that the Proposal was accurate at the time it was made, and that no material changes in it have been nor will be made without the express written consent of the CHA; and
- (xiv) that the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination of this Agreement.

Section 8.02 Joint and Several Liability

In the event that the Contractor, or its permitted (in accordance with this Agreement) successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by the Contractor shall be the joint and several obligation or undertaking of each individual or other legal entity.

Section 8.03 Business Documents and Contractor's Affidavit

The Contractor shall, prior to the provision of any Services, provide to the CHA evidence of its authority to conduct business in the State of Illinois, including without limitation registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of the State of Illinois. The Contractor has included a Contractor's Affidavit, which is attached hereto as part of Exhibit II, and incorporated into and made a part of this Agreement pursuant to clause (i) of the fourth recital of this Agreement.

Section 8.04 Conflict of Interest

No member of the governing body of the CHA or other units of government and no other officer, employee, or agent of the CHA or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains, shall have any personal interest, direct, or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly or CHA employee shall be entitled to any share or part of this Agreement or to any financial benefit to arise from it.

The Contractor represents, warrants and/or covenants, as applicable, that it and each of the Employees presently have no interest and shall acquire no interest, direct or indirect, in this Agreement which would conflict in any manner or degree with the provision of the Services hereunder. The Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed. The Contractor agrees that if the CHA determines that any of the Contractor's Services for others conflict with the Services that the Contractor is to render for the CHA under this Agreement, the Contractor shall terminate such other services immediately upon request of the CHA.

Additionally, pursuant to the conflict of interest requirements in OMB Circular A-102 and 24 C.F.R. 85.36(b)(3), no person who is an employee, agent, consultant, officer, or appointed official of the CHA and who exercises or has exercised any functions or responsibilities with respect to HUD assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to HUD activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those whom he or she has family or business ties, during his or her tenure or for one year thereafter.

Furthermore, the Contractor represents, warrants and/or covenants, as applicable, that it currently is and shall remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act, 31 U.S.C. 1352, as amended, and related rules and regulations set forth in 54 Fed. Section 8.06 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the CHA and not as a representative, employee, agent, or partner of the CHA.

ARTICLE 9. GENERAL CONDITIONS

Section 9.01 Entire Agreement

This Agreement and those specific Exhibits attached hereto (or portions thereof, as

applicable) which have been specifically incorporated into and made a part of this Agreement shall constitute the entire Agreement between the parties hereto relating to the subject matter hereof, and no other warranties, inducements, considerations, covenant, conditions, promises or interpretations shall be implied between the parties that are not set forth herein and therein.

Section 9.02 Counterparts

This Agreement may be executed in several identical counterparts, each of which shall be deemed an original and when taken together shall constitute one Agreement binding on the parties hereto.

The CHA shall incur no liability for additional Services without a written amendment to this Agreement pursuant to this Section.

Whenever in this Agreement the Contractor is required to obtain prior written approval, the effect of any approval which may be granted pursuant to the Contractor's request shall be prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event may approval apply retroactively to a date before the approval was granted.

Section 9.04 Compliance with All Laws

The Contractor shall at all times observe and comply with all applicable laws, ordinances, rules, regulations (including but not limited to HUD regulations) and executive orders of the federal, state and local government, now existing or hereinafter in effect, which may in any manner affect the performance of this Agreement. Provisions(s) required by law, ordinances, rules, regulations, or executive orders to be inserted shall be deemed inserted whether or not they appear in this Agreement or, upon application by either party, this Agreement shall forthwith be amended to literally make such insertion; however, in no event shall the failure to insert such provision(s) prevent the enforcement of this Agreement or such provision(s).

In furtherance (but not in limitation) of the immediately preceding paragraph, the Contractor shall at all times observe and comply with the Uniform Administrative Requirements contained in 24 C.F.R. 85.1 et seq., as amended; Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000det seq.), as amended; the Fair Housing Act (42 U.S.C. 3601 et seq.), as amended; Exec. Order No. 11,063 (27 Fed. Reg. 11,527 (1962)), as amended by Exec. Order No. 12,259 (46 Fed. Reg. 1,253 (1980)); the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), as amended; the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; the Davis-Bacon Act (40 U.S.C. 276aet seq.), as supplemented by Department of Labor regulations (29 C.F.R. Reg. 46,501 (1978)) and 11,375 (32 Fed. Reg. 14,303 (1967)); Exec. Order No. 12,372 (47 Fed. Reg. 30,959 (1982)); the Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. 276c), as supplemented by Department of Labor regulations (29 C.F.R. Part 3), each as amended; the Byrd “Anti-Lobbying” Amendment (31 U.S.C. 1352), as amended; and Exec. Orders 12,549 (51 Fed. Reg. 6,370-71 (1986)) and 12,689 (54 Fed. Reg. 34,131 (1989)). Additionally, the Contractor shall comply with the applicable provisions of OMB Circulars A133, A-102, A-122, A-110 and A-87, as amended, succeeded or revised.

The Contractor shall take such actions as may be necessary to comply promptly with any and all governmental orders imposed by any duly constituted government authority whether imposed by federal, state, county or municipal authority.

Section 9.05 Severability

If any provision(s) of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case or circumstances in any applicable jurisdiction or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, then (i) such circumstances shall not have the effect of rendering the provision(s) in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision(s) herein contained invalid, inoperative, or unenforceable to any extent whatever, and (ii) such provision(s) shall be reformed and construed so as to be valid, operative and enforceable to the maximum extent permitted by law or equity while most nearly preserving its original intent.

Section 9.06 Governing Law and Jurisdiction

This Agreement shall be governed as to performance and interpretation in accordance with the laws of the State of Illinois. The Contractor hereby irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. The Contractor agrees that service of process on the Contractor may be made, at the option of the CHA, either by registered or certified mail addressed to the applicable office as provided for in this Agreement and to the office actually maintained by the Contractor, or by personal delivery on any managing partner, partners and principals of the Contractor. If the Contractor brings any action against the CHA concerning this Agreement, the action shall only be brought in those courts located within the County of Cook, State of Illinois.

Section 9.07 Interpretation

A. Any headings of this Agreement are for convenience of reference only and do not define or limit the provisions hereof. Wherever from the context it appears appropriate, each term stated in either the singular or the plural shall include the singular and the plural, and pronouns stated in either the masculine, feminine or the neuter gender shall include the masculine, the feminine and the neuter. All references to any Exhibit or document shall be deemed to include all supplements and/or amendments to any such Exhibit or document entered into in accordance with the terms and

conditions hereof and thereof, as applicable. All references to any person or entity shall be deemed to include any person or entity succeeding to the rights, duties, and obligations of such persons or entities in accordance with the terms and conditions of this Agreement. Unless otherwise expressly specified: (i) references to any statute or other law in this Agreement include all rules, regulations and orders adopted or made thereunder and all statutes or other laws amending, consolidating or replacing the statute or law referred to, whether before, on or after the date hereof; (ii) the word “**agree**” and any derivations thereof or words of similar import in this Agreement include but are not limited to the prior written approval, consent or agreement of the person or entity holding the right to approve, consent or agree; and (iii) the words “**hereto**”, “**herein**”, “**hereof**” and “**hereunder**”, and words of similar import in this Agreement, refer to this Agreement in its entirety and as a whole and not to any particular provision of this Agreement. Furthermore, the words “**include**” and “**including**”, and words of similar import in this Agreement, shall be deemed to be followed by the words “**without limitation**”, if the context of such words does not prohibit such a limitation, and the word “**end**”, “**expiration**” and “**termination**”, and words of similar import in this Agreement, shall mean the termination of this Agreement for any reason or no reason, whether on or before the end of the Base Term or any Option Year(s), as applicable.

B. Notwithstanding any statement or provision in any document to the contrary, if there is a direct conflict between or among any of the documents or provisions incorporated into and made a part of this Agreement (including but not limited to any of the provisions in the recitals and Articles 1-11 of this Agreement), then (i) the recitals and provisions of Articles 1-11 of this Agreement (firstly), (ii) Exhibit I (secondly), (iii) Exhibit III (thirdly), (iv) Exhibit IV (fourthly), (v) Exhibit V (fifthly), (vi) Exhibit VI sixthly), and finally (vii) those portions of Exhibit II that have been incorporated into and made a part of this Agreement (lastly), shall control, in that order, notwithstanding the incorporation of such documents and/or provisions, as applicable; and where no such direct conflict exists, each of same shall be deemed to complement and supplement each other to constitute one and the same Agreement.

C. The parties and their respective counsels have jointly participated in the negotiation and drafting of this Agreement, and each of the parties acknowledges and agrees that he, she or it has carefully read this Agreement and fully understands and agrees to all of its terms. In the event of any ambiguity or question of intent or interpretation regarding this Agreement, this Agreement shall be construed as if drafted jointly by all of the parties and their respective counsels and no presumption or burden of proof shall arise favoring any particular party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.08 Assigns

All of the terms and conditions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted (in accordance with Section 2.09) legal representatives, successors, transferees and assigns.

Section 9.09 Cooperation

The Contractor agrees at all times to cooperate fully with the CHA and to act in the CHA’s best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Contractor shall make every effort to assure (i) an orderly transition to another contractor and (ii) the uninterrupted provision of Services during any transition period, and shall otherwise

comply with the reasonable requests and requirements of the CHA in connection with the termination or expiration of this Agreement.

Section 9.10 Waiver

Whenever under this Agreement the CHA, by a proper authority, expressly waives the Contractor's performance in any respect or expressly waives a requirement or condition to either the CHA's or the Contractor's performance, the waiver so granted, shall only apply to the particular instance and shall not be deemed a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver shall be construed as a modification of this Agreement regardless of the number of times the CHA may have waived the performance of a requirement or condition.

Section 9.11 Survival
