D. FINANCIAL STATEMENT: The Respondent/Financially Responsible Party shall demonstrate its financial responsibility by submitting the most recent two years of audited, reviewed or compiled financial statements prepared by a third party licensed Certified Public Accountant (CPA). Listed below are the minimum acceptable required documents based upon the amount of the procurement:

- 2. Balance Sheet (last 2 years)
- 3. Income Statement (last 2 years)
- 4. Cash Flow Statement (last 2 years)
- 5. Financial Statement Footnotes (if applicable)

Compiled financial statements represent the **most basic level of financial statements** prepared by a licensed certified public accountant. In a compilation, the certified public accountant assists management in presenting financial information in the form of financial statements and **does not provide any assurance** that there are no material modifications that should be made to the financial statements. The certified public accountant does not perform inquiry, analytical procedures or other procedures that would be performed in a review, or obtain the understanding of the entity's internal control, assess fraud risk or test accounting records as would be performed in an audit.

For Procurements of \$2.5 Million to \$10 Million: The Respondent must provide **Reviewed** Financial Statements which consist of:

- 1. Accountant's Report
- 2. Balance Sheet (last 2 years)
- 3. Income Statement (last 2 years)
- 4. Cash Flow Statement (last 2 years)
- 5. Financial Statement Footnotes

CHICAGO HOUSING AUTHORITY

Reviewed financial statements provide the user with comfort that the certified public accountant is not aware of any material modification that should be made to the financial statements for the statements to be in conformity with the applicable financial reporting framework. A review involves the certified public accountant performing analytical procedures and inquiries that will provide a reasonable basis for obtaining **limited assurance** that there are no material modifications required to the financial statements. A review does not require the certified public accountant to obtain the understanding of the entity's internal control, assess fraud risk or test accounting records as would be performed in an audit.

For Procurements of Greater Than \$10 Million: The Respondent must provide **Audited** Financial Statements which consist of:

1. Auditor's Report
2. Balance Sheet (last 2 years)
3. Income Statement (last 2 years)
4. Cash Flow Statement (last 2 years)
5. Financial Statement Footnotes

Audited financial statements provide the user with the **certified public accountant's opinion letter that the financial statements are presented accurately**, in all material respects, in conformity with accounting standards. The auditor is required to obtain an understanding of the entity's internal control, assess fraud risk, perform analytical procedures and test accounting records.

CHA will also evaluate the respondents based upon analysis of third-party reporting agencies, regulatory agencies, bureaus, etc., as it deems necessary to determine the financial adequacy of the respondent entity and confirm that the entity is in good financial standing with governmental agencies.

Other considerations in the evaluation of the financial condition of respondents follow:

1. Financial statements must be from a legal business entity (i.e., corporation, partnership, LLC, etc.).
2. Newly created entities (partnerships, LLC's, etc.) must provide financial statements from the entity's general partner and/or any other financially responsible entity that collectively can demonstrate the capability to complete the contract.
3. Internally prepared business entity financial reports generated by the respondent will not be accepted.
4. Personal financial statements or tax returns will not be accepted.
5. The CHA reserves the right to request additional information to complete the financial evaluation and review of any respondents.

III. BID PREPARATION AND WITHDRAWAL OF BIDS BEFORE BID OPENING

Respondents must complete the current versions of all forms which are required for a solicitation. Copies of these forms have either been provided therein or may be accessed and downloaded through the CHA's website, www.thecha.org in the "Forms and Documents" tab located under "Doing Business-Contractor and Developer Resources." Failure to submit completed copies of all of the current required forms may result in a solicitation response being deemed non-responsive.

A. PREPARATION OF BIDS –

- i. The bid forms may require bidders to submit the bid prices for one or more items on various bases, including lump sum bidding, deductive alternate prices, or any combination thereof.
- ii. **CHA FORMS and DOWNLOAD:** Bids must be submitted on the forms furnished by the CHA or on copies of those forms and **must be signed electronically**. CHICAGO HOUSING AUTHORITY

The bid forms may require Contractors to submit bid prices for one (1) or more items on various bases, including lump sum bid, alternate prices, unit prices, change order pricing of construction, or any combination thereof.

- iii. If the solicitation requires bidding on all items, failure to do so will disqualify the bid. If bidding on all items is not required, Contractors should insert the words “no bid” in the space provided for any item on which no price is submitted; and

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

The form is required for nonconstruction contracts awarded by Housing Agencies (HAs). The form is used by bidders/offers to certify to the HA's Contracting Officer for contract compliance. If the form were not used, HAs would be unable to enforce their contracts. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.

- (3) No attempt has been made or will be made by the bidder/offeror to induce any other concern to submit or not to submit a bid/offer for the purpose of restricting competition.

(b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the HA which shall include a description of the action which the Contractor has taken or intends to eliminate or neutralize the conflict. The HA may, however, terminate the Contract for the convenience of HA if it would be in the best interest of HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this Contract and intentionally did not disclose the conflict to the HA, the HA may terminate the Contract for default.

SECTION VI -- ACKNOWLEDGMENTS, CONTRACT INCORPORATION, COMPLIANCE, PENALTIES, DISCLOSURE

A. The Disclosing Party understands and agrees that:

1. By completing and filing this EDS, the Disclosing Party acknowledges, on behalf of itself and the persons or entities named in this EDS, that the CHA may investigate the creditworthiness of and the information provided about some or all of the persons or entities named in this EDS.
2. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the CHA in connection with the Matter, whether procurement or other CHA action, and are material inducements to the CHA's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.
3. If CHA determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and CHA may pursue any remedies under the contract or agreement (if not or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with CHA.
4. CHA may make this document available to the public on its Internet site and/or upon request. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against CHA in connection with the public release of information contained in this EDS and also authorizes CHA to verify the accuracy of any information submitted in this EDS.
5. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the CHA takes action on the Matter. If the Matter is a contract or other agreement being entered into by the CHA's Board of Trustees, the Disclosing Party must also update this EDS as the contract or agreement requires.

B. The Disclosing Party represents and warrants that:

1. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information required by this Disclosure Affidavit. For purposes of the certifications in VI.B.2. and B.3., the term "**affiliate**" means any person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members; shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with the federal government or a state or local government, including CHA, using substantially the same management, ownership, or principals as the ineligible entity.
2. The Disclosing Party is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, nor are the Disclosing Party or its affiliates delinquent in paying any fine, fee, tax or other charge owed to CHA or a Sister Agency (as defined in Section V,B). This includes, but is not limited to, all water charges, sewer charges, license fees, parking tickets, property taxes or sales taxes.
3. If the Disclosing Party is the Applicant, the Disclosing Party and its affiliates will not use, nor permit their subcontractors to use, any facility on the U.S. EPA's List of Violating Facilities in

connection with the Matter for the duration of time that such facility remains on the list.

- 4. If the Disclosing Party is the Applicant, the Disclosing Party will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those contained in this Disclosure Affidavit and will not, without the prior written consent of the CHA, use any such contractor/subcontractor that does not provide such certifications or that the Disclosing Party has reason to believe has not provided or cannot provide truthful certifications.

The Contractor shall in determining the manner of M/W/DBE participation, first consider **Direct Participation** with M/W/DBE companies as subcontractors, suppliers of goods and services, or as joint venture partners, directly related to the performance of this contract. After exhausting reasonable good faith efforts and with prior CHA approval, the bidder/proposer may also meet all or part of the CHA's M/W/DBE commitment goals, through **Indirect Participation**, by contracting with M/W/DBEs for the provision of goods and services not directly related to the performance of the contract/scope of work. Indirect participation can be demonstrated by providing copies of canceled checks (both front and back) paid to the certified subcontractors, and a Letter of Certification that was current at the time the checks were issued to the subcontractor (must be entered into B2Gnow and Contract Compliance Specialist will approve). Indirect participation must occur within this contract period and will not be considered as acceptable participation on multiple contracts.

Firms seeking M/W/DBE subcontracting credit via Direct or Indirect participation must include **one (1) current certification** from a CHA approved certifying agency. A copy of a current Letter of Certification is required. Applications for certified status will not be accepted. M/W/DBEs utilized for direct or indirect participation must be currently certified by one of the following agencies: City of Chicago, METRA, PACE, Cook County, State of Illinois - Central Management Services (CMS), Women Business Development Center (WBDC), Chicago Transit Authority (CTA), the Chicago Minority Supplier Development Council (CMSDC), Illinois Department of Transportation (IDOT), and/or the Small Business Administration (SBA 8(a)). For contractors whose principal business address is located outside of the metropolitan Chicago area, certification of comparable agencies will be considered.

III. M/W/DBE WAIVER REQUEST & GOOD FAITH EFFORTS (GFEs)

If a Prime Contractor cannot meet the required M/W/DBE participation requirements in whole or part, it may submit a M/W/DBE waiver request to the Chief Procurement Officer, or her/his designee for consideration. The waiver request must be submitted with a compelling good faith efforts (GFEs) documentation demonstrating the infeasibility of M/W/DBE subcontracting. This documentation must also show that the Prime Contractor has exhausted all good faith efforts for M/W/DBEs to perform under this scope of work without success. The Prime Contractor must therefore provide details of the good faith efforts it has undertaken including the types and number of outreach events it conducted for/to M/W/DBE firms, number of M/W/DBE firms contacted, mode and frequency of communications with these firms, among others in the space provided below. Talk to your Compliance Specialist if you need a list of the minimum GFEs documentation requirements. If you need more space, please attach additional document(s) to this Schedule. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE CERTIFICATE
--

(IFB or RFP Title or P.O. Commodity Description)

(IFB or RFP or P.O. No.)

As used in this certificate, the term "subcontract" includes the term "purchase order" and all other agreements effectuating purchase of supplies or services. If this certificate is submitted as part of a bid or proposal, the term "Seller" shall be deemed to refer to the Bidder or Offeror, or Subcontractor or Supplier. This Certificate shall be renewed annually. Notwithstanding the foregoing, the certifications made herein shall remain applicable until completion of all contracts/subcontracts awarded while this certificate is in effect. The undersigned Seller certifies the following to the **CHICAGO HOUSING AUTHORITY**, hereinafter referred to as Buyer:

- A. **REPORTS:** Within thirty (30) days after Buyer's award to Seller of any contract/subcontract and prior to each March 31 thereafter during the performance of work under said subcontract, the Seller shall file Standard Form 100, entitled "Equal Employment Opportunity Employer Information Report EEO" in accordance with instructions contained therein, unless Seller has either filed such report within 12 months preceding the date of the award or is not otherwise required by law or regulation to file such a report.

- B. **PRIOR REPORTS:** If Seller has participated in a previous contract or subcontract subject to Equal Opportunity Clause (4) C.F.R. Section 60-1.4(a)(1) through (7), or the clause originally contained in section 301 of Executive Order No. 10925, or the clause contained in section 201 of the Executive Order No. 11114, has filed all required compliance reports. Seller shall obtain similar representations indicating submission of all required compliance reports, signed by proposed subcontractors, prior to awarding subcontracts not exempt from the Equal Opportunity Clause.

- C. **CERTIFICATION OF NON-SEGREGATED FACILITIES:** Seller certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not permit its employees to perform their services at any location under its control, where segregated facilities are maintained. Contractor certifies further that it will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it will not permit its employees to perform their services at any location under its control, where segregated facilities are maintained. Seller agrees that a breach of this certification is a violation of the Equal Opportunity Clause in the Specifications for Bid or Request for Proposal. As used in this certification, the term "segregated facilities" means waiting room, work area, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, or national origin because of habit, local custom or otherwise. Contractor further agrees that (except where it has obtained identical certifications from proposed subcontractors for specific time periods) it will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause, that it will retain such certifications in its files, and that it will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):
NOTICE TO PROSPECTIVE SUBCONTRACTORS OR REQUIREMENT FOR CERTIFICATIONS OF NON-SEGREGATED FACILITIES. A certification of Non-segregated Facilities, as required by Section 60-1.8 of Title 41 of the Code of Federal Regulations, must be submitted prior to the award of a subcontract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity Clause (Note: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001).
