

What happens next?

Thank you for attending our Cabrini NOW community conversation on Wednesday, December 11, 2024!

Tonight's meeting material will be posted on CHA's website thecha.org/cabrininow and public comments will be accepted until **January 8, 2025**.

A draft plan will be published in early 2025 with an opportunity for more public comment before a final plan is published.

CHA will begin applying for zoning changes and releasing site-specific solicitations for development partners on the first sites throughout 2025. Development partners will be recommended by CHA and the Near North Working Group, and need CHA Board approval.

If you've signed up for updates, we will continue reaching out to you as we move forward with site specific development plans!

Please email us any comments and sign up for updates: cabrininow@thecha.org
