LATESIA TIMS' INSPIRATIONAL JOURNEY

Latesia Tims, is a 36-year-old single mother of three and CHA resident from the north side of Chicago who enrolled into CHA's Employment Placement Services (EPS) program through Employment & Employer Services (E&ES). She was paired with a dedicated Career Coach who worked with her one-on-one to provide job readiness training, refine her resume, and prepare her for the competitive interview process. Latesia attended job fairs and hiring events, determined to find the right opportunity.

Eventually she was invited to interview with Titan Security. Nervous but prepared, Latesia answered questions with poise, sharing her personal experiences as a mother and her passion for meaningful work. Latesia was offered a position as a Security Guard with Titan Security, earning \$19.60 an hour. WORC Success Stories: *Real Lives, Real Impact!*

Business Academy Meet Angelique Herron

As an entrepreneur, cultivating a new business without a solid blueprint is like constructing a 1,000-piece jigsaw puzzle without the box to guide you.

Completing the “WORC Business Academy” has been a game-changer for us at Kitchen Shenanigan, providing a clear blueprint for our future. This structured approach allowed us to focus on our goals and deliver exceptional service, which recently helped us secure three new personal chef clients. With a refined business plan in hand, we were able to narrow down effective strategies to serve our target audience.

I would whole heartedly recommend the WORC Business Academy to any entrepreneur looking to bring their vision to life! If you have a business idea and are interested in learning more about becoming an entrepreneur please contact the WORC office at WORC@thecha.org for more information.
